Monthly Newsletter

## From the Principal's Desk

Dear Parents and Friends of NCES: St. Anne,

What a great way to start the month of April, with Holy Week. Soon we will sing Alleluia once again. What a beautiful time of year and how blessed we are to be saved by our Lord Jesus Christ. A strong faith life starts in our homes and in our parish churches. Newman Catholic Schools is an extension of these, and your child's faith continues to grow through the years in our schools.

This strong faith is a beautifully treasured gift that will last a lifetime. We are happy to work alongside you in unity with our parishes to educate the entire person; body, mind, and spirit. We look forward to sharing in the joy as we see that growth and progress at the end of the school year. We thank you and our parish families for their continued support and prayers.

May God continue to bless each of you and your families.

Blessings,  
Mrs. Vechinski

## Principal's Bits 'n Pieces

### Registration for 2023-2024

Many of our student registrations are submitted for next school year. We are excited to have our returning families all set for the fall, and we will welcome many new families as we continue to grow our school community. We are grateful that you have chosen Newman Catholic Schools for your child's Catholic education. If you have not registered yet, please do so by going to our website and accessing Skyward. You will see several opportunities for tuition assistance there as well. The deadline for WPCP applications is April 20. If you need help with either of these procedures, please call our central office at (715) 845-5735 and speak with Jaci Lepak, our Enrollment and Marketing Specialist.

### STAR Assessments

Our last STAR testing of the school year will be coming up. We look forward to sharing the results with you through our parent reports at the end of the year.

### No School

There will be no school on April 7 and April 10 so we can spend these special holy days with our families.

### Virtue Walk

We will have our Virtue Walk on April 27 at the Newman High School track. This event will not be a fundraiser, but the school community coming together to teach and learn about the Catholic virtues.

### Yearbooks

Our yearbook committee has been working hard to prepare the 2022-2023 yearbook. Please watch for details about ordering yours.

## Helping Children Cope with "Big Feelings"

Children can have the same big feelings that we do. The difference for adults, though, is that we have more life experience to know how to deal with difficult emotions. When our children feel fear, anxiety, or anger, they need our help to learn how to cope. Here are some tips:

### Name the feeling(s)

Help your child figure out which feeling they are having/were having. Putting a name to it can help validate their experience. Having a feelings poster or reading children's books about feelings can be helpful to identify their own feeling.

### Normalize the feeling(s)

It can be confusing for a child who's feelings take over and lead to behaviors they may not usually have. Explain that all people have these feelings sometimes, and we all have to learn how to manage them.

### Talk about the brain

Our brains and our bodies are connected, and our brains send out signals when we experience certain "big feelings." Explain that we have a part of our brain (thinking brain) that's in charge of making decisions, thinking things through, and managing our emotions. Explain that another part of our brain (emotional brain) is in charge of important things like breathing, digesting food, and holds onto big feelings like anger or anxiety; this part of our brain also reacts to any threats, and can make us feel like we need to run (flight), fight back, or freeze. Sometimes this part of our brain overreacts, and we need to try strategies to calm it down.

(For a full script of the brain conversation, visit <https://imperfectfamilies.com/what-anxious-and-angry-kids-need-to-know-about-their-brain/>)

### Practice self-regulation skills

When children are calm, their thinking brain is on, and this is the best time to come up with a plan for when their emotional brain tries to take over. Encourage taking a break (not a timeout), deep breathing, releasing angry energy by exercising, and relaxation strategies such as progressive muscle relaxation, coloring, calm down jars, music, etc. Practice these repeatedly when they are calm.

Helping your child begin to recognize their body's early signs of a big feeling (heart racing, clenched jaw, etc.) can help them learn when to employ their self-regulation skills.

## April Guidance Lessons: Mindfulness

# Walk like a Penguin!

When things get cold and icy,  
And your path looks kind of dicey,  
*Waddle on!*

Keep your toes all pointed out-y,  
Keep your knees all loosey-goosey,  
*Waddle on!*

Keep your hands outside your pockets,  
Take short steps so you won't rocket,  
*Waddle on!*

Take it slowly. Holey-moley,  
So you won't fall down and roll-y,  
*Waddle on!*

Walking to and from the school during the winter requires special attention to avoid slipping and falling. We pride ourselves in the fact that snow is removed in a timely manner and sidewalks and entrances are monitored and maintained throughout the day. Our playground and parking lots are plowed before school starts for the day. With all this being said, these areas may still be slippery. We ask that you be aware of conditions and **please be careful!**

## Newman Catholic Schools

### *Weather Related School Closing Procedures*

When considering schedule changes due to inclement weather, Newman Catholic Schools (NCS) continues to take its lead from the Wausau School District (WSD) and D.C. Everest School District (DCE). Each district varies in its standards and definitions of closure. These differences can cause confusion as NCS crosses both districts. To assist in alleviating this potential confusion, a school-by-school breakdown of procedures is laid out below. Any changes to these procedures will be communicated through Constant Contact, school newsletters, etc. Be sure to read **ALL** announcements and updates to avoid missing information.

The following tools will be the standard of communication used to announce schedule changes due to inclement weather:

- **Constant Contact:** Will be sent to the parents directly affected by the schedule changes.
- **Facebook:** Visit the Newman Catholic Schools page.
- **NCS Website:** A pop-up notification will appear upon entering [www.newmancatholicschools.com](http://www.newmancatholicschools.com).
- **TV Stations:** Channel 9 ([www.waow.com](http://www.waow.com)) and Channel 7 ([www.wsaw.com](http://www.wsaw.com))
- **Midwest Communications Radio:** 95.5 WIFC, 101.9 WDEZ, Rock 94.7, 550AM WSAU, 1390AM Fox Sports
- **Skylert Messaging:** Digital messaging sent via email, phone, and text. You can manage your Skylert Messaging through your Skyward Family Access account. *\*Skylert may not be the fastest method for last minute changes. Please refer to the other communication tools first.*

**Delays:** The definition of delay varies by district.

- **Wausau School District–Bus Delays** – This only affects students who are picked up by First Student. Students bused by First Student will be picked up based on the delayed time. Classes at NCES: St. Anne and Newman Catholic Middle/High School will continue to run on their normal schedule. Students that are dropped off, walk, or ride the city bus are expected to be at school at the regularly scheduled time. Three-year-old Preschool and 4K AM/PM classes at NCECC: St. Michael will be cancelled when busing is delayed. Unless specified differently, child care programs at NCES: St. Anne and NCECC: St. Michael will run as regularly scheduled.
- **D.C. Everest School District–School Delays** – This affects all students at NCES: St. Mark and NCECC: St. Therese. Classes at NCES: St. Mark will be delayed by two hours, following DCE. Three-year-old Preschool will be cancelled at NCES: St. Mark, and 4K AM/PM classes will be cancelled at both NCES: St. Mark and NCECC: St. Therese. Unless specified differently, child care programs at NCES: St. Mark and NCECC: St. Therese will run as regularly scheduled.

This also affects NCMS/HS students who reside in DCE and are picked up by Lamers. Busing will be delayed by two hours. Classes at NCMS/HS will continue to run on their normal schedule. Parents can choose to drop their students off to avoid delays.

### **School-by-School Procedures:**

#### ***Newman Catholic Middle and High School (NCMS/HS)***

- **Delayed Starts** – Delays only affect students riding a yellow school bus. Classes will continue to run on the normal schedule for all other students. Delayed busing is considered an excused absence. Parents can choose to drop their students off to avoid delays.
- **Early Release** – When closing early, NCMS/HS follows the WSD. All students must be picked up by the stated release time. Bused students will be picked up according to the WSD early release schedule included in this document. Pick-up times are flexible during travel delays. At times, the two public school districts do not align in their decisions to close early or at the same time; for example:
  - DCE closes early but WSD does not; this will affect DCE bused students only. In this case, parents of DCE bused students will be contacted letting them know when busses will arrive for pick-up. If parents wish for students to remain the entire day, they must arrange for transportation at the end of the day and notify the school.
  - WSD closes early but DCE does not; all students must be picked up by the stated release time. If a student who is bused from DCE does not have alternative transportation other than the bus home, parents should contact the office to discuss arrangements.
- **Closing** – NCMS/HS follows the WSD "Public and Private" closing announcements.

**NCES: St. Anne**
