BERMUDIAN SPRINGS SCHOOL DISTRICT
Grade 5 SCIENCE Year-Long Curriculum Map

UNIT/Week	Aug.			Sept.				Oct.				Nov.			Dec.				Jan.			Feb.				Mar.				Apr.				May			
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40
Physical Science - **Energy**- 8 Forms of Energy, Energy Transfers, Heat Energy and Temperature, Graphing of Heat Energy Transfers.	X	X	X	X	X	X	X	X	X	X	X	X	X	X																										
Physical Science - **Energy**- Machines, Insulators and Conductors, Alternative Energy Sources (Hydropower, Wind Power, Geothermal, Solar Energy, Nuclear Energy).															X	X	X	X	X	X	X																			
Physical Science - **Simple Machines -** 6 Simple Machines, Mechanical Advantage, Explorations of Levers and Pulleys																						X	X	X	X	X	X	X												
Life Science - **Human Body**- Mechanics of Movement (skeletal, muscular, and nervous systems), Body Basics (needs of bone and muscle cells), Supporting Active Muscles (respiratory, circulatory, and digestive systems).																													X	X	X	X	X	X	X	X				
Earth Science **- Weather- Systems** (hurricanes, tropical storms, fronts), Models (temperature, dew point, wind direction, wind speed, etc), Cloud Types**.**																																					X	X	X	X
