| Whole number and Decimal Place Value to the One-Thousandths (20 Days)      | Yellow | Yellow | Yellow | Yellow | Yellow |        |        |        |        |        |        |        |        |        |        |      |      |      |    |        |              |              |              |              |    |        |        |        |        |        |        |        |    |    |    |    |    |    |    |      |      |      |
| Multi-Digit Whole Number and Decimal Operations (30 Days)                  |        |        |        |        |        | Yellow | Yellow | Yellow | Yellow | Yellow |        |        |        |        |        |      |      |      |    |        |              |              |              |              |    |        |        |        |        |        |        |        |    |    |    |    |    |    |    |      |      |      |
| Analyzing Data (15 Days)   |        |        |        |        |        |        |        |        |        |        | Purple | Purple | Purple |        |        |      |      |      |    |        | Light Purple | Light Purple | Light Purple | Light Purple |    |        |        |        |        |        |        |        |    |    |    |    |    |    |    |      |      |      |
| Conversions of Linear Units (10 days)                                      |        |        |        |        |        |        |        |        |        |        |        |        |        | Purple | Purple |      |      |      |    |        |              |              |              |              |    |        |        |        |        |        |        |        |    |    |    |    |    |    |    |      |      |      |
| Algebraic Concepts:Orders of Operations/Patterns (15 Days)                 |        |        |        |        |        |        |        |        |        |        |        |        |        |        |        | Blue | Blue | Blue |    |        |              |              |              |              |    |        |        |        |        |        |        |        |    |    |    |    |    |    |    |      |      |      |
| Addition and Subtraction of Fractions (GCF,LCM) (30 Days)                  |        |        |        |        |        |        |        |        |        |        |        |        |        |        |        |      |      |      |    | Yellow | Yellow       | Yellow       | Yellow       | Yellow       |    |        |        |        |        |        |        |        |    |    |    |    |    |    |    |      |      |      |
| Multiplication and Division of Fractions (15 Days)                         |        |        |        |        |        |        |        |        |        |        |        |        |        |        |        |      |      |      |    |        |              |              |              |              |    | Yellow | Yellow | Yellow | Yellow |        |        |        |    |    |    |    |    |    |    |      |      |      |
| Addition and Multiplication with Volume and Perimeter/Area (15 Days)       |        |        |        |        |        |        |        |        |        |        |        |        |        |        |        |      |      |      |    |        |              |              |              |              |    |        |        |        | Purple | Purple | Purple | Purple |    |    |    |    |    |    |    |      |      |      |
| Graphing Points on Coordinate Plane and Properties of 2D Figures (15 Days) |        |        |        |        |        |        |        |        |        |        |        |        |        |        |        |      |      |      |    |        |              |              |              |              |    |        |        |        |        |        |        |        |    |    |    |    |    |    |    |      |      |      |
| Pre-View Standards-Rational Numbers-Ratios (15 Days)                       |        |        |        |        |        |        |        |        |        |        |        |        |        |        |        |      |      |      |    |        |              |              |              |              |    |        |        |        |        |        |        |        |    |    |    |    |    |    |    | Pink | Pink | Pink |
