COMMUNITY ORGANIZATION FLYER SUBMISSION INSTRUCTIONS

Dear Program Provider,

Exciting news! In an effort to provide our parents with more valuable school and community resources, Bermudian Springs School District will begin sending flyers to parents digitally during the 2019-2020 school year through *Peachjar*. Parents will receive flyers as actionable images in their inbox and can click to immediately take action. Additionally, all approved flyers will be posted to each school's website.

Distributing your flyer through Peachjar is easy! Upon launch, you can register at www.peachjar.com as a program provider and select your school(s) for distribution. Include call-to-action buttons like "Register Now" or "Learn More". At checkout, Peachjar will charge a small fee to submit your PDF flyer. Once your flyer is approved by the district, it will be emailed to parents and posted to each school's website. Parents can view your flyer on the go, share on social media or send it to a friend – you can even view metrics to see how your flyer is performing.
