PRINCIPAL'S MESSAGE

We will begin the scheduling process for the 2023-2024 school year over the next couple of months. We will be giving students the information they need to understand the course selection process and provide them with due dates. The course selection guide will be posted on the High School website. Students will be completing their course selection sheet on-line. If you have any questions regarding your son/daughter's schedule, please contact the guidance office. A parent's signature is required on the schedule form. ***It is important that you take an active role in helping your student choose the courses that will best fit their goals/needs. Student course selections should align with their career path whether that be CTE, college, tech/trade school, military, or work force.***

988 Suicide & Crisis Lifeline

<https://988lifeline.org/>

988 has been designated as the new three-digit dialing code that will route callers to the National Suicide Prevention Lifeline (now known as the 988 Suicide & Crisis Lifeline), and is now active across the United States.

When people call, text, or chat 988, they will be connected to trained counselors that are part of the existing Lifeline network. These trained counselors will listen, understand how their problems are affecting them, provide support, and connect them to resources if necessary.

The previous Lifeline phone number (1-800-273-8255) will always remain available to people in emotional distress or suicidal crisis.

The Lifeline's network of over 200 crisis centers has been in operation since 2005, and has been proven to be effective. It's the counselors at these local crisis centers who answer the contacts the Lifeline receives every day. Numerous studies have shown that callers feel less suicidal, less depressed, less overwhelmed and more hopeful after speaking with a Lifeline counselor.
