

# #sharethelove!

**SHARE! your heart & home  
with a high school exchange student next school year!**

**SHARE!** host families host for different reasons, but they can agree the rewards are immeasurable. By simply opening your heart & home to a **SHARE!** Exchange student you grow your family, learn about different cultures, give love, receive it, make your community a better place, and enrich the lives of all involved. Wont you join us and **#sharethelove** this coming school year?

**SHARE!** students are all high school age, speak English, come medically insured and with their own spending money for personal expenses. They attend the host family's local high school for a school year or semester.
