

UPDATES ON THE ENGLISH LANGUAGE PROFICIENCY ASSESSMENTS FOR CALIFORNIA

BILINGUAL COORDINATORS NETWORK

FEBRUARY 17, 2023

Topics

- ELPAC Interim Assessments (IAs)
- 2022–23 ELPAC Student Score Reports (SSRs)
- Tools for Teachers (T4T) Demonstration
- T4T Resource Options and Survey

ELPAC IA Timeline

2022–23

Develop IAs

(California State Board of Education February memo-blueprints)

2023–24

Release First Set of IAs

2024–25

Release Second Set of IAs

ELPAC (1)

Purpose: To improve teaching and learning in the classroom

Features:

- Designed to fit in a 50-minute class period
- Are untimed
- Utilize the same performance level descriptors and scale scores as the Summative ELPAC
- Aligned to the 2012 California English Language Development Standards

ELPAC IAs (2)

Two sets will be developed for:

- Kindergarten through grade two
- Three through five
- Six through eight
- Nine and ten
- Eleven and twelve

ELPAC IAs (3)

Each set of interims will contain four individual domain tests:

- Listening, Speaking, Reading, and Writing
  - Speaking and Writing are locally hand scored by educators;
  - Reading and Listening are computer scored
  - Can be administered in a standardized and non-standardized manner
  - Can be administered in any order

ELPAC IA Blueprint and Point Totals

- Includes the number of items per task type for each domain for the grade level or grade span
- Indicates which English Language Development Standard(s) each task type aligns with
- Goes to the State Board of Education next week as a February Information Memorandum

ELPAC IA Blueprint Item Range Totals by Domain

Domain	Interim I and Interim II K–12 Item Range Totals
Listening	7–12
Speaking	7–8
Reading	9–12
Writing	4–8

ELPAC Testing Counts

- Initial ELPAC
  - Eligible students – 202,497
  - Percentage completed – 96.57%
- Summative ELPAC
  - Eligible students – 1,067,007
  - Percentage completed – 2.36%
- Initial Alternate ELPAC
  - Eligible students – 791
  - Percentage completed – 88%
- Summative Alternate ELPAC
  - Eligible students – 15,363
  - Percentage completed – 3%

Release of 2022–23 Summative ELPAC SSRs

- A sufficient number of tests must be completed to conduct the quality control process
- Grades three through twelve SSRs are expected to be available in May
- Kindergarten through grade two are expected to be available in early June

Release of 2022–23 Summative Alternate ELPAC SSRs

- Expected to be available in the summer
- Dependent on the number of completed tests which are needed to complete the quality control process

Summative ELPAC and Summative Alternate ELPAC Training Reminder

- Test examiners must complete in the Moodle Training Site prior to administration
  - calibration quizzes for the Summative ELPAC
  - modules for the Summative Alternate ELPAC
