## TABLE OF CONTENTS

The following document is an addendum to the District Comprehensive Safety Plan. The District Comprehensive Safety Plan is the main body of the document. Each school has a site specific document that works in tandem with the District’s plan. The Comprehensive Safety Plan is designed to be utilized as a resource for prevention/mitigation, preparedness, response and recovery planning and training as well as for meeting the guidelines of the Standardized Emergency Management System (SEMS), the National Incident Management System (NIMS) and Title 1, Division 4, Chapter 8 Government Code.

It is a living document to meet site, district and community needs, forms or requirements. It is NOT to be a “grab and go” guide in an actual emergency.

## School Safety Planning Committee

The school site council is responsible for developing the school site safety plan or for delegating the responsibility to a school safety planning committee. (Ed. Code 35294.1)

The school site safety committee shall be composed of the following members: the principal or designee, one teacher who is a representative of the recognized certificated employee organization; one parent/guardian whose child attends the school; one classified employee who is a representative of the recognized classified employee organization; other members if desired. (Ed Code 35294.1)

Local law enforcement has been consulted (Ed. Code 39294,1) Other local agencies, such as health care and emergency services, may be consulted if desired. (Ed Code 39294.2)

Other members of the school or community may provide valuable insights as members of the School Safety Planning Committee. Additional members may include:

- A representative from the local law enforcement agency
- School Resource Officers
- Guidance counselor
- Special Education Department Chairperson
- One or more key community service providers
- Student representative(s)
- Disciplinary team member
- Staff leaders
- Additional parent representatives

**BALDWIN SCHOOL SAFETY TEAM**

The undersigned members of the Baldwin School Safety Planning Committee certify that the requirements of the SB 187 Safety Plan have been met.

## Safety Plan Goals

---

### Annual Safety Goals

The School Safety Planning Committee shall make an assessment of the current status of school crime committed on campus and at school-related functions and of appropriate strategies and programs that will provide or maintain a high level of school safety. (Ed. Code 35924.2)

While the School Safety Planning Committee reviews school, district and community crime data trends such as the California Safe School Assessment, other data can bring value to the discussions. Such data may include:

- Mental Health Data
- State, District or Site Surveys (such as the Youth Risk Behavior Survey)
- Disciplinary Data
- Community Police Data

Data may be more valuable if disaggregated by gender, age, zip code, ethnicity, etc. Current trends should be reviewed as well.

**Based on data analysis**, the School Safety Planning Committee identifies one or two **safety-related goals for the next school year as well as the strategies and/or programs that will be used to meet those goals**. The objective is to provide meaningful goals in order to improve the campus climate.

The goals are reported, with the Safety Plan, to the Board of Trustees and are shared with the school staff and community.

In order to keep the goals as a safety focus for the school year, it is recommended that at least three brief meetings be held to review data and progress. The progress can be reported to the School Site Council, staff, parent groups and the Board of Trustees.

The year-end assessment should be completed in May and reported.

**JULIA BALDWIN ELEMENTARY SCHOOL**  
**Safety Plan Goals**  
**2020-2022**

- GOAL 1:** Establish systems and protocols to maintain the safety of all students and staff during the COVID-19 pandemic.
- Strategy 1.1:** Canopies provided for outdoor lunch. Recommended to continue eating outside weather permitting.
- Assessment 1.1:** Canopies installed in designated areas.
- Strategy 1.2:** Establish and follow protocols when a student or staff member has been in contact with someone that has been diagnosed with COVID 19 or exhibits symptoms of COVID-19
- Assessment 1.2:** Protocol provided to staff and community.
- Strategy 1.3:** Staff and students will be trained on proper hand washing and use of sanitizer to take place several times a day with sanitizer stations throughout the school campus. Hand sanitizer is provided.
- Assessment 1.3:** Training scheduled and presented to staff and students on the first day of school.
- Strategy 1.4:** Staff and Students provided face coverings and other PPE as needed.
- Assessment 1.4:** Protocol communicated and posted to families, students and staff.
- Strategy 1.5:** Students sent home with any symptoms placed in an isolation area.
- Assessment 1.5:** Protocol developed and shared with the community.
- Strategy 1.8:** Water filling stations available throughout the school campus.
- Assessment 1.8** Map showing water filling stations throughout campus.
- Strategy 1.9:** Mandated testing for students who have COVID symptoms.
- Assessment 1.9** Sending At Home Tests with students when they go home due to symptoms (while supplies last).
- Baseline Data 1.1:** No data as these are mitigation strategies.

**Comments:**

**GOAL 2: School will update the ARCC to ensure adequate necessary supplies in the event of an emergency.**

**Strategy 2.1:** Each class will receive a bin, along with a gallon sized zip top bag for every student. Parent letters will accompany the bags home, asking for snacks to be stored inside the ARCC.

**Assessment 2.1:** Confirm storage of classroom bins with zip top bags for every student by October.

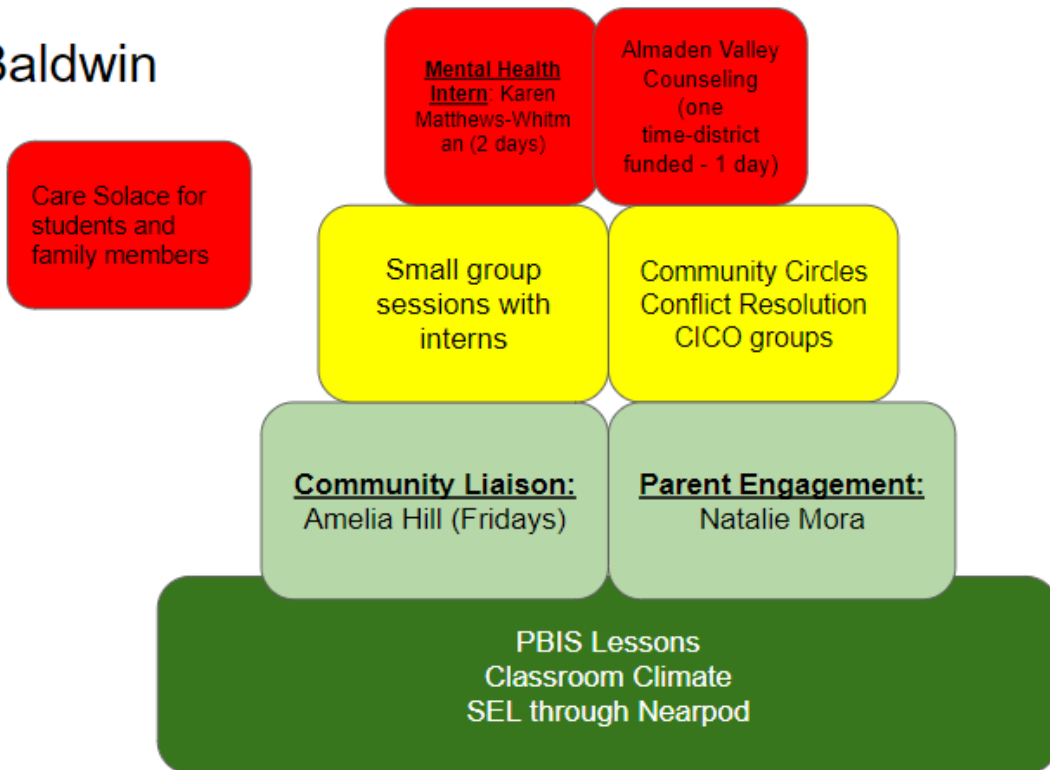

**Strategy 2.2:** Updated materials include Rescue Backpacks and [First Aid Supplies](#) that are replaced every 5 years including such items as band aids, bandages, etc.

**Assessment 2.2:** Verify items have been delivered and placed in the ARCC by January.

**Baseline Data 2.1 /2.2:** ARCC materials are replaced on a rotating basis.

**GOAL 3: Provide mental health support for students.**

**Baldwin**

- Strategy 3.1:** Mental Health Intern support for 2 days
- Strategy 3.2:** Social Worker Intern support as needed
- Strategy 3.3:** Outside agency referrals for mental health support through School Linked Services for Alum Rock Counseling, Community Solutions, Rebekah’s Children Services;
- Strategy 3.4:** Almaden Valley supports for 1 day
- Strategy 3.5:** Parents and students can be referred through Care Solace
- Strategy 3.6:** Professional Learning Community focus on SEL Lessons
- Assessment 3.1-3.6:** Number of students being served by mental health support systems.
- Strategy 3.7:** Individual School Strategies, such as Calm Down Corners, Community Circles, SEL Lessons through Nearpod
- Assessment 3.7:** Connectedness and Belonging Survey Results
- Baseline Data 3.1-3.7:** Number of referrals to Mental Health Interns, Almaden Valley and Care Solace.

**Review tardies, absenteeism, expulsion and suspension data.**

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2018-2019	School 2020-2021	District 2018-2019	District 2020-2021	State 2018-2019	State 2020-2021
Suspensions	2.09%	0.00%	2.87%	0.02%	3.47%	0.20%
Expulsions	0.00%	0.00%	0.00%	0.00%	0.08%	0.00%

Note: Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

**Suspensions and Expulsions for School Year 2019—2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-2020	District 2019-2020	State 2019-2020
Suspensions	0.39%	0.84%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

#### Attendance Factor:

The attendance factor accounts for the difference between enrollment and attendance. It is the average percentage of enrolled students typically attending school on any given day. The factor is calculated annually using prior school year data.

- 2017-2018 Attendance Factor: 95.74%
- 2018-2019 Attendance Factor: 95.43%
- 2019-2020 Attendance Factor: COVID
- 2020-2021 Attendance Factor: 97.1%
- 2021-2022 Attendance Factor: 92.30%

#### Chronic absenteeism:

Students are considered chronically absent if they are absent at least 10 percent of the instructional days that they were enrolled to attend in a school. A distinguishing feature of this measure is that the goal is reversed.

- 2017-2018 Chronic Absenteeism Rate: 8.5 %
- 2018-2019 Chronic Absenteeism Rate: 13.80%
- 2019-2020 COVID
- 2020-2021 Chronic Absenteeism Rate: 7.5%

Accountability Report Card

## **School Facilities & Safety**

Baldwin strives to provide a safe and healthy environment for our students and staff.

Baldwin School is one of 19 schools in the Oak Grove School District in South San Jose. Baldwin provides a place of discovery where students love to engage in the learning process, are not afraid to attempt challenges and feel successful and productive when they do. Our goal is to prepare students for higher education, careers, and a productive place in society, whatever they choose. We want our children to be able to compete, as well as collaborate, advance with excellence and pride, and to value life-long learning. In order to reach these goals, we stress a thorough and successful academic curriculum with support for students always available from a host of employees and community volunteers. Baldwin is a Positive Behavior Intervention Support School with a mantra of being upstanders, safe, respectful, responsible and ready to learn. We value and enjoy a harmonious relationship within our racially, ethnically, linguistically, and economically diverse school community.

The table shows the results of the most recent school facilities inspection. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation. The data in the table was collected January 2022.

### Cleaning Process

Baldwin provides a safe and clean environment for students, staff, and volunteers. The district has adopted cleaning standards for all schools. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair A scheduled maintenance program is administered by Baldwin's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a

scheduled maintenance program is administered by Oak Grove School District to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

Additionally, due to COVID-19 pandemic:

Hand sanitizing stations are located in common areas such as lunch areas, front offices, and priority locations identified by the principal.

Students are encouraged to bring their own water bottles to use the available water bottle filling stations. All water fountains are available for students.

The District will provide face masks for staff. All staff are required to wear fabric face coverings unless prevented due to health conditions or instructional/communication needs. In those instances, staff will be provided with a clear face shield. Additional disposable masks and gloves are also available, as needed. HVAC schedules will be set to run at least two hours before and after occupied hours.

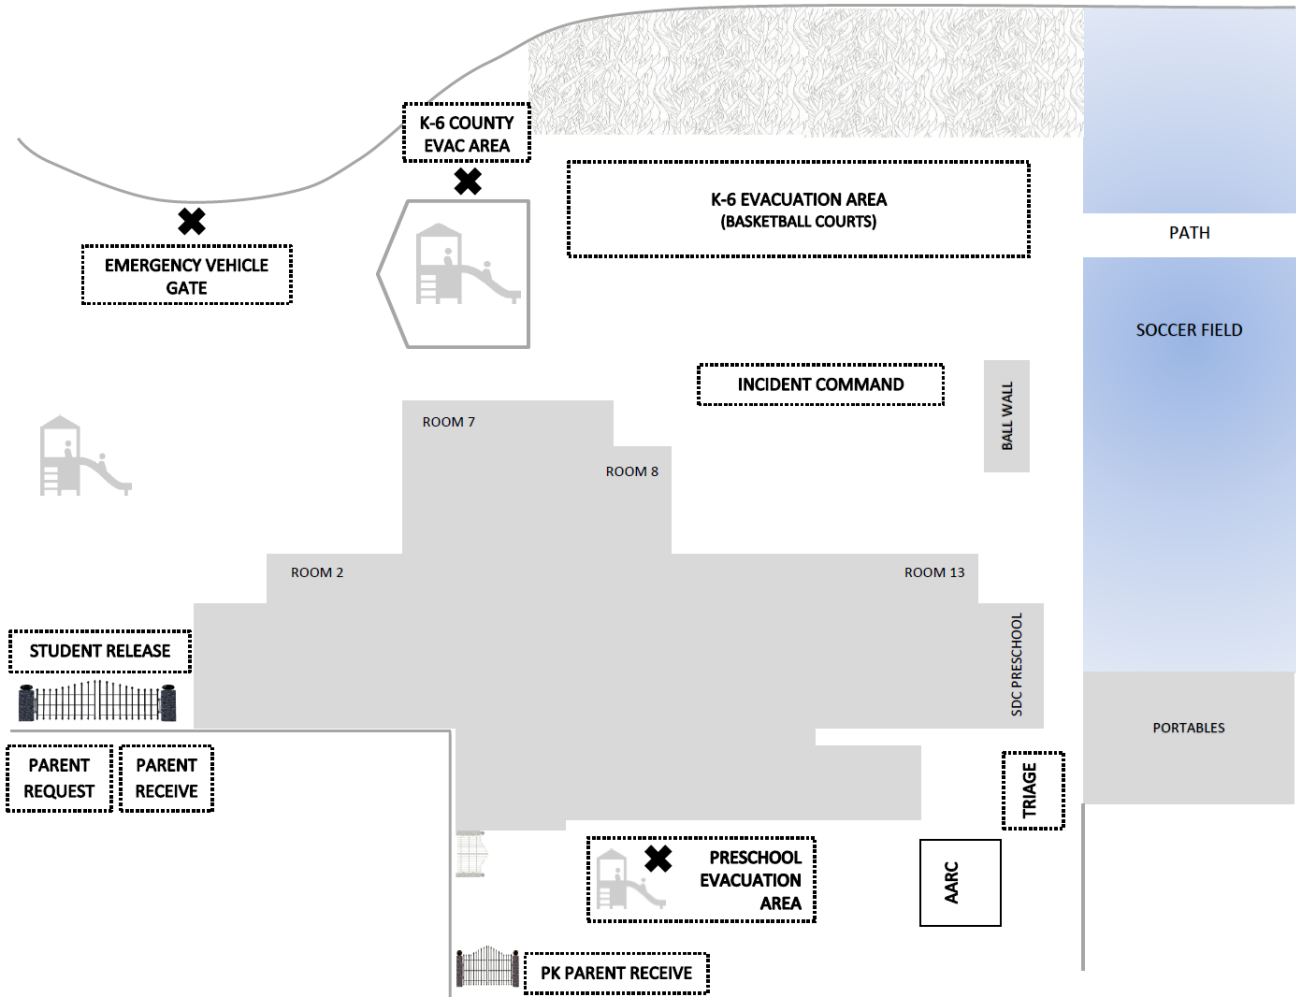

HVAC systems have been serviced and inspected across the District to ensure proper operation and circulation of outside air.

Strict cleaning and disinfecting protocols are in place throughout the school campuses. In classrooms, teachers and age-appropriate students will have access to non-toxic materials to maintain the cleanliness of their environment.

Note: Teachers assigned to lead or have staff assignments should be paired with teachers assigned to the student assembly area. In an emergency, when directed to evacuate to the assembly area, all teachers will take any emergency items and move their classes to the assembly area. Teachers assigned to lead or have staff assignments will then “hand off” responsibility for their class to their Buddy Teacher and report to their emergency assignment.

## **BEFORE AND AFTER SCHOOL DAY CARE**

Oak Grove School District will ensure after-school programs are educated on key parts of emergency management planning, including keeping emergency contact cards up to date and having the most accurate information from parents on who youths are permitted to leave with.

After-school programs are contained within a school's overall emergency management plan.

However, there are important emergency planning considerations specific to after-school programs that may not be addressed in the school's overall emergency management plan, such as:

- How the Incident Command Structure is to operate after school when most staff have left for the day;
- Training of after-school program staff;
- Emergency procedures, especially when some buildings may be closed; and
- Coordination with local emergency responders.

Similar to emergency management planning for schools, after-school programs should also develop plans based upon site-specific issues. Collaborative exercises, site assessments, needs assessments, inventories, meetings, and emergency exercises, including drills and tabletops, would also assist in validating and encouraging adoption of the plan by administrators while promoting sustainability over time.

The District recommends that after-school programs:

- Parallel the schools' plans and procedures, or incorporate their plans into the schools' plans;
- Consult others (rather than plan in a vacuum);
- Include important contact numbers in their plans;
- Include reunification plans;
- Identify personnel for key roles;
- Orient all staff to the plan; and
- Have the plan available at all times.

Preschools will follow the site's Incident Command System and report to the evacuation area as the plan describes.

The Principal will coordinate with all programs on the site, such as Boys and Girls Club, Champion, BASE, YMCA, etc.

## GENERAL INFORMATION – SCHOOL SAFETY

### District Commitment to School Safety

It is the policy of the Oak Grove School District Board of Education that all students enrolled in this district, and all employees employed by this district, have the right to attend campuses, which are safe and secure. The Board believes that a beginning step toward safer schools is the development of a comprehensive plan for school safety by every school within the District. The Board intends that parents, students, teachers, administrators, counselors, classified personnel, and community agencies develop safe school plans, including local law enforcement, and approved by the Board. The school site committee will review these safe school plans on an annual basis and proposed changes will be submitted to the Board for approval.

### LEGISLATIVE REQUIREMENTS

The California Education Code (sections 35294.10-35294.15) outlines the requirements of all schools operating any kindergarten and any grades 1 to 12, inclusive, to write and develop a school safety plan relevant to the needs and resources of that particular school.

This requirement was presented in Senate Bill 187, which was approved by the Governor and chaptered in 1997. This legislation contained a sunset clause, which stated that this legislation would remain in effect only until January 1, 2000. **See Appendix for Senate Bill 187 Text. Senate Bill 334 was approved and chaptered in 1999 and perpetuated this legislation under the requirement of the initial legislation.**

Comprehensive School Safety Plans are required under SB 187/SB 334 to contain the following elements:

- Assessment of school crime committed on school campuses and at school-related functions
- Child abuse reporting procedures
- Disaster procedures
- Suspension and expulsion policies
- Procedures to notify teachers of dangerous pupils
- Anti-harassment policy
- Sexual harassment policies
- School wide dress code policies
- Procedures for safe ingress and egress
- Policies enacted to maintain a safe and orderly environment
- Rules and procedures on school discipline
- Uniform Complaint process
- Goals on providing a safe and healthy environment

The Comprehensive School Safety Plan will be reviewed and updated by School Site Council every year. The school will report on the status of its school safety plan including a description of its key elements in the annual school accountability report card.
