

April

Hello AC Families,

As we enter the month of April, I would like to remind you that it is Military Child's Month. This is a time to honor and recognize the sacrifices made by the families and children of our brave military men and women. We will honor these children this month on our morning announcements, a theme week April 17th, and at a Military Touch a Truck event.

Additionally, at the end of this month Ohio state testing will take place. This is an important time for our students to demonstrate what they have learned throughout the school year. We encourage you to support your child as they prepare for these exams and ensure that they are well-rested and have a nutritious breakfast before coming to school.

Thank you for your continued support and involvement in your child's education. Let us continue to work together to ensure their success.
