

THE SQUEEZE

HAPPY 2023!

Hello Teachers,

Welcome to 2023! Here's the latest from your friendly neighborhood TTL teachers!

Get up-to-date information on digital resources here!

SCREENCASTIFY

- Did you know you can embed interactive multiple-choice questions into any recording?
- Students have access, too. They can record and annotate to show a deeper understanding
- Great for formative assessment

KEYBOARD SHORTCUTS

Did you accidentally close a tab you were still using? Press CTRL+SHIFT+T and watch it come back magically! Make your life easier! Try these keyboard shortcuts!

[LINK TO KEYBOARD AND MOUSE SHORTCUTS](#)

What's New?

- Videos with "pause points." Students type/speak/draw responses.
- Graded quizzes & ungraded quizzes
- Customizable quizzes
- Curriculum aligned with ELA/Math standards (coming soon)
- Coding, make-a-movie
- Topic of the Day
- Create an assignment today!

ILLUMINATE

Are you running out of assessment ideas? Try Illuminate - available on your OUSD dashboard.

- SBA - like questions: multiple choice, open-ended, multiple select
- Search by Standard - one standard or multiple standards
- Launch to Google Classroom
- Share assessments with your GLC or your whole school!

THE JUICE PODCAST

The Educational Technology Department has created a new podcast, The Juice: A Burst of Knowledge. The current episode discusses Digital Citizenship where listeners can follow up with some Professional Development hours to build lessons for their classroom.

SOS STRATEGY OF THE MONTH

SNOWBALL FIGHT

Ask questions, identify key ideas and details, and share vocabulary with this active student learning activity.

EDUPROTOCOL OF THE MONTH

#Teach More Work Less

Fast and Curious

This is a quick way to assess students prior knowledge and then repeat the information several times to build foundational knowledge with little prep and grading from the teacher.
