

STUDENT RIGHTS AND RESPONSIBILITIES PARENT COMPLAINTS

COMPLIANCE & HR
(REGULATION)

Parents shall be entitled to informal conferences with administrators to resolve their complaints and should adhere to any campus specific protocols to resolve a complaint before resorting to the district level grievance process. In most circumstances in which a complaint involves a problem with a teacher, the student or parent shall be expected to discuss the matter with the teacher and school counselor before requesting a conference with the principal at Level One.

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A parent shall not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level. These proceedings are for administrative purposes and the burden of proof is held by the parent.

Complaint forms and appeal notices may be filed by hand-delivery or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Mail filings shall be timely filed if they are postmarked by the U.S. Mail on or before the deadline.

TIMING

All time limits shall be strictly followed unless modified by mutual written consent. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed at any point during the complaint process, on written notice to the parent. The parent may appeal the dismissal by making a written request for review within ten days from the date of the written dismissal notice. The review will begin at the level at which the complaint was dismissed and shall be limited to the issue of timeliness.

COMPLAINT FORM

Complaints under this policy shall be submitted in writing on a form provided by the District. Copies of any documents that support the complaint should be attached to the complaint form. If the parent does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted unless the student or parent did not know the documents existed before the Level One conference. A complaint form that is incomplete in any material aspect may be dismissed but may be refiled with all the requested information if the refiled is within the designated time for filing a complaint.

(REGULATION)

LEVEL ONE

A parent who has a complaint shall file a complaint form and request a conference with the principal, or the lowest level administrator who has authority to remedy the alleged problem within ten days of the time the student or parent knew, or should have known, of the event or series of events causing the complaint. The principal or administrator shall schedule and hold a conference with the student or parent within five days of the request. The principal shall have seven days following the conference within which to make a written response.

LEVEL TWO

If the parent did not receive the relief requested at Level One or the time for a response has expired, the student or parent may request a conference with the next appropriate level of administrator. The request must be filed within seven days following receipt of a response, or if no response is received, within seven days of the response deadline. The administrator shall hold the conference within ten days after receiving the request.

Prior to or at the time of the conference, the student or parent shall submit a written complaint that includes the student's or parent's signed statement of the complaint, any evidence in its support, the solution sought, and the date of the conference with the principal.

The administrator shall have ten days following the conference within which to respond.

LEVEL THREE

If the student or parent did not receive the relief requested at Level Two, the student or parent may submit to the CEO or designee a Level Three request for review. The request shall be in writing and must be filed within seven days of the response or, if no response is received, within seven days of the response deadline.

The CEO or designee shall review the documents relevant to the complaint and may, at the CEO or designee's discretion, schedule a conference or prepare a written response based upon the review of the record within ten days of the request.

APPEAL TO THE BOARD

If the parent or student did not receive the relief requested at Level Three or if the time for response has expired, the student or parent may appeal to the Board.

The appeal notice must be filed in writing, on a form provided by the school, within ten days after receipt of a response or, if no response was received, within ten days of the response deadline at Level Three.

The Chief of Staff shall inform the student, the parent, and the administration of the date, time, and place of the Board meeting at which the complaint will be on the agenda for

presentation to the Board and shall provide the Board with copies of the complaint form, all responses, all appeal notices, and all written documentation previously submitted by the student, parent, or administration. The Board shall consider only those issues and documents presented at the preceding levels, identified in the appeal notice.

The presiding officer may set reasonable time limits and guidelines for the presentation. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the complaint. The presentation by the parent; any presentation from the administration; and questions from the Board with responses shall be recorded.

The Board shall then consider the complaint. It may give written or oral notice of its decision orally at any time up to and including the next regularly scheduled Board meeting. If for any reason the Board fails to reach a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Three.
