THIS PARKING LOT WILL BE CLOSED JUNE 24, 2016 THROUGH LATE AUGUST 2016.

The School District expects this lot to be closed from 24 June 2016 through late August 2016. Due to demolition and construction, access to the track and fields must be via the south end during this time. Parking is available at the south end lot directly adjacent to the fields.

Please share this information with your sports teams, walking friends, trainers, friends and family. We realize this will affect many people and thank you in advance for your patience and support of our construction activities.

We are in the final stages of construction for the new building. Shortly after school is out for summer break, demolition of the old lunch room and music spaces will begin. Once these structures are removed, work can begin on the new student plaza and raingarden. Parking lot paving, striping and landscape will finish out construction activities this summer.

You may download a copy of this notice and obtain current information on the IMS project at the District's Construction Update Website: http://www.mercerislandschools.org/Page/11041. For questions or concerns, please contact construction manager Brandy Fox at 206-949-4935.

SORRY FOR THE INCONVENIENCE
