Principal's Den

Dear LES families,

Happy April! The days are getting longer as we head into our last 9 weeks of the year. Can you believe it?

We are excited to host our kindergarten kickoff on Friday, April 14th from 9-3. Kindergarten families can come tour the building, meet LES kindergarten teachers, administration, and PTO. Mrs. Suzanne and Ms. Neisha will be available for registration questions as well.

Thank you to all who came out to our Lions Bash! It was a wonderful evening for our little lions and their moms/special adult. A special thank you to Mrs. Miller and Mrs. Fortney for planning this special event!

Respectfully,

Mrs. Patton

School Safety

School safety is a topic that is on everyone's mind, especially after the tragic events that took place last week at Covenant School. The safety of your child and our entire staff is our top priority each and every day. The FSSD has several safety protocols in place that keeps our school family secure. Deputy Degati conducts multiple exterior door checks throughout the day, he is visible in our school building as well as during morning arrival and afternoon dismissal. All visitors to LES must buzz the front office and state their purpose for being on campus. Visitors are required to show their ID and receive a visitors' badge once they are screened. The FSSD has wonderful relationships with the Franklin Police Department and the Williamson County Sheriff's office. Both agencies make regular visits to our campus to familiarize themselves with our building and protocols. The FSSD continuously evaluates our safety protocols and makes adjustments when necessary. Thank you for working with us to ensure a safe learning environment for your child.
