

# No Print Novelties

Use these low prep and no print activities at home and school.

## Up in the Garden, Down in the Dirt

### Directions:

- Review the insects and bugs mentioned in the story.
- Teacher will say, “Up in the garden!” All students will act as something that visited garden (skunk, bat, bird, etc).
- Then, teacher alternates and says, “Down in the dirt!” Students act as an insect mentioned in the story.
- After each prompt students can discuss which they picked and their action.

## Home Challenge

Visit a local store to buy seeds. Plant the seeds together. Discuss how to take care of the plant(s) in order for them to grow. Write a schedule so you don't forget!
