WEEK OF 4/3/2023

To, Through, and Beyond College "Impact and Outcome"

Happy Monday Families,

We have entered the 4th and fourth quarter of the school year. Upon returning from Sprig Break, we will be in the testing season. It is less stressful for students to take the local and state assessments among their peers versus having to take it alone due to being absent. Please ensure students are showing up daily to get the classroom instruction they need. We will continue scheduling meetings for students who are on the retention list due to chronic absenteeism and low academics. If you have any questions or concerns, please reach out to me at aringo@npfeschools.org or send a message to (313) 751-8533.

Ms. Ringo
Principal

Instructional priorities

Reading, writing, and discussion in all content areas to provide cohesive instruction and opportunities for productive struggle.

Provide effective feedback to students that affirms what they have done well and guides them toward academic improvement and achievement of learning goals.

Study and leverage student-level data on a regular and consistent basis to identify learning opportunities and create plans to address them.

Use rubrics as tools to provide a shared language with clear guidelines and expectations to provide a measure, adjust, and evaluate learning

U of D Dental School gave the students great dental care last week!

Lillie McCullom was the winner of the tablet issued by U of D Dental School

School-Wide Cooperative Challenge:
"Demonstrate a Stop and Think Strategy"

Stopping and thinking at school is very important. Sometimes you may want to say or do something right away even if it is not your turn. If this happens, begin to stop and think. To help, try self-talk, by saying, "I will be able to wait my turn even though today is hard."

Important Information!!!

Read By Grade 3 Law

The Michigan Legislature passed a law that requires schools to identify learners who are struggling with reading and writing and to provide additional help. The law states that third graders may repeat third grade if they are more than one grade level behind beginning with the 2019-2020 school year and not being proficient on the M-Step.
