

The Official Healthcare Champion of Volusia County Schools

2023 FREE Pre-Participation Sports Physicals Provided by AdventHealth

Event Info

In preparation for your upcoming appointment at the AdventHealth's Free Sports Physical Event, we wanted to provide you with some key bits of information to make your experience perfect! Remember, if you have any questions, please contact us at vcssportsphysicals@groups.volusia.k12.fl.us

- **Required Paperwork**

- Make sure that all your paperwork is completed. Please follow this link for required documents. <https://www.vcsedu.org/academics/electives-special-programs/athletics>
 - **EL2 Physical Form (dated 03/2023 upper right corner)** – must be signed by parent/guardian to have access to the physical event.
 - **AdventHealth Consent Form** – This must be signed by a parent/guardian if student is under 18 years of age.
 - **AdventHealth Photo Consent Form** – This gives us permission to allow a minor to be in a photo/video for promotional usage. Privacy will be highly respected. If you don't want to participate in photos or videos, simply do not sign this form.
 - **ECG Screening Consent Form** – This form is from our partners at Who We Play For. AdventHealth is covering the cost of this screening, so it is FREE to your student. Please make sure that a parent/guardian signs this form to receive the FREE ECG screening.
 - **Walk-In Registration** - If you were not able to schedule an appointment and are going to walk-in, please fill out this form to speed up the registration process. If you do not, we will have the form available on site. (Please see Walk-In info below)

- **Location**

- This year's Free Sports Physical Event will be held at the Daytona International Speedway, in the Midway Suites.
- Please enter the speedway parking lot at the NASCAR Dr. entrance (at the light) which is across the street from One Daytona (Bass Pro Shops). Follow signs and staff to the parking area in front of the Axalta Main Entrance.
- Enter through the Axalta Gates – staff will be present to guide you.
- Follow signs up the escalators to the Midway Suites.
- Note...we are NOT in the Rolex Lounge this year. We have expanded to give us more space.

- **Parents/guardians**
 - Parents and guardians are more than welcome to join their students through this physical screening process. We will also have a waiting area for you to wait for your student if you desire.
- **Appointment Times**
 - Registration is required to control the number of students entering the screening process at one time. This allows our providers to spend quality time with each student. Time slots have been created to maintain this professional level of engagement.
 - Appointment times will be called at the exact times of registration. We have appointments scheduled every 10 minutes. Every 10 minutes we will call the next time slot and confirm your appointment for that time at the check in booth. For example: if you have a 6:20pm appointment...show up 10 minutes prior...and we will call all students with a 6:20pm appointment to come to the check in desk.
 - If you need to change your time or want to come in early please see the directions below for Walk In appointments.
- **Walk-In Appointments**
 - Our goal is to serve every student that needs a physical.
 - We will provide a walk-in line for those who did not register for an appointment.
 - Walk-ins will be served based on availability of open slots. This may obviously take longer. Please be patient during your wait.
 - Walk-ins will be served based on a first come first served basis.
 - For every 10-minute time slot for registration that is not full (max registrants show up), we will pull students from the walk-in line to meet that max number.
 - The walk-in line will close 45 minutes before the end of the event to assure everyone in line can be seen.
 - If you have registration and can't keep that time and need to come earlier, you will need to go through the walk-in line accordingly.
- **ECG Screenings**
 - AdventHealth is proud to support the heart health of your student by providing FREE ECG Screenings as part of this Sports Physical event.
 - All ECG are provided by our partner, Who We Play For
 - ECG results take 5-7 days to receive
 - You will receive an email from info@whoweplayfor.org
 - If you do not receive your results, please contact Who We Play For at info@whoweplayfor.org
 - Note...AdventHealth does not have access to these ECG results, nor manages the results...please contact WWPF for more info.
