

What is Teaching Excellence?

Teaching Excellence (TE) is an Alternative Certification Program (ACP) for teachers which provides targeted professional learning and one-on-one instructional coaching to accelerate teacher effectiveness in year one and beyond.

How to Apply

1. **Complete your Candidate Profile** - The Candidate Profile Form will be used to collect demographic and applicant information as part of the enrollment process and will be submitted to the Texas Education Agency (TEA). The TEA collects this information from every certification program as part of their mandated state reporting.
2. Submit an Official Electronic Transcript - In accordance with the TEA Code, a transcript is only considered official if it has a **degree conferred/awarded date*** and is **issued out and sent directly to Teaching Excellence**. Submit your official electronic transcripts to employeetranscripts@yesprep.org.

*If you are currently finishing your Bachelor's degree, **you do not have to submit a transcript with a degree conferred/awarded date, BUT** you are still required to request an official electronic transcript from your university **issued out and sent directly to Teaching Excellence**.
