

RIVERVIEW COMMUNITY SCHOOLS STRATEGIC PLAN SUMMARY | 2022-2027

ACADEMICS AND PROGRAMS

Strategic Goal Statement: Riverview Community Schools will evaluate and support a system of curriculum and instruction to increase student achievement.

Priority Objectives:

- Develop a structured and adopted curriculum for alignment in all 4 core subjects K-12.
- Develop and implement an evaluation process for current academic and supportive programs K-12.
- Develop and implement an easily understood universal grading procedure K-12 with fidelity.

LEARNING ENVIRONMENT AND CULTURE

Strategic Goal Statement: Riverview Community Schools will provide a safe, inclusive and collaborative learning environment.

Priority Objectives:

- Develop building-level teams to review, respond, and communicate screener results to relevant stakeholders.
- Train all staff on inclusion expectations and practices for all students.
- Develop inclusive grade-level leadership teams to implement and review DEI, SEL, and MTSS programs and protocols.

PERSONNEL AND LEADERSHIP

Strategic Goal Statement: Riverview Community Schools will foster an environment where staff feel supported and valued.

Priority Objectives:

- Provide clear and defined structure of the PLC process.
- Establish a consistent process of recruiting, training, and retaining high quality employees.
- Develop a culture where all staff work together as a PreK-12 team.

COMMUNICATION AND COMMUNITY ENGAGEMENT

Strategic Goal Statement: Riverview Community Schools will develop a comprehensive system to effectively communicate district information to the Pirate Community.

Priority Objectives:

- Facilitate training for new/current staff in Schoology.
- Implement and develop training for parents (in person/videos for remote training).
- Implement a systematic process to share events and showcase the success that happens in our schools.

OPERATIONS

Strategic Goal Statement: Riverview Community Schools will renovate and modernize facilities to support student success and promote community pride.

Priority Objectives:

- Identify and prioritize HVAC needs and secure funding.
- Develop district-wide secure entry system.
- Continue to renovate science labs at Seitz.
