- 3.1 K-12 Textbook and Instructional Materials Incentive Program, Tracks A, B, C, D, and Modified Traditional 2010-2011
(Prepared by Curriculum/Instruction and Accountability Division)

California Education Code Section 60119 specifies that the governing boards of school districts are subject to the requirements of Education Code Section 60119 (as revised by Chapter 118, Statutes of 2005 and CCR, Title 5, Section 9531) in order to receive instructional materials funds. The governing board of each district and county office of education is required to hold an annual public hearing and adopt a resolution stating whether each pupil in the district has sufficient textbooks or instructional materials in specified subjects that are aligned to the academic content standards and consistent with the content and cycles of the curriculum frameworks adopted by the state board.

The adoption of designated textbooks for each course Districtwide is an essential part of the development of an articulated, sequential, and standardized curriculum in each subject. The San Bernardino City Unified School District has an ongoing procedure whereby textbooks are continually reviewed and updated by committees that are representative of the school community. Books are reviewed for content and their match with District and State frameworks.

3.2 Public Disclosure of Proposed Agreement with the Police Officers Association (POA)
(Prepared by Employee Relations/Human Resources-Classified Division)

On July 29, 2010, the District reached a tentative three (3) year agreement with the Police Officers Association. California Government Code §3547.5 requires public disclosure of the financial and budgetary impact of the proposed collective bargaining agreement. In addition, the required forms, along with the tentative agreement(s), will be filed with the County Superintendent of Schools for review. During this review, the County Superintendent of Schools will determine the impact of the tentative collective bargaining agreement(s) on the District's budget, ending balance, and general fund reserves. The summary of the proposed agreement(s) with the POA bargaining unit, setting forth the tentative collective bargaining agreement(s), is included in the agenda for the Board's review and to make it available to the interested public.

On August 5, 2010, Police Officers Association ratified the proposed collective bargaining agreement.

The following is a summary of the significant language in the collective bargaining agreement:

ARTICLE I – RECOGNITION

Section 1--Association's Representation Unit.

The District hereby acknowledges POA as the exclusive bargaining representative for all classified employees included in the employee unit described below; School Police Officer, Bilingual School Police Officer and School Police Detective/Corporal.

Section 2—Exclusions.

Specifically excluded are all management, confidential, other classified employees, reserve officers, day-to-day substitutes, and certificated employees. POA agrees that the unit is appropriate and that it will not seek a clarification or amendment of the unit, either as to the specific exclusions or the enumerated inclusions.

Section 3--New Classifications.

The District shall initially designate all new classified job classifications as to inclusion or exclusion from the unit set forth in Section 1 of this Article. Such designation shall be made at the time any new classification is submitted to the Board of Education for approval. If POA does not agree with such designation, it must inform the District's representative within ten (10) business days of the Board meeting and request to meet in an attempt to resolve the issue. If unable to reach agreement as to their inclusion or exclusion from the bargaining unit, the issue shall be submitted to the Public Employment Relations Board. The District and POA may jointly agree upon any other means to resolve disputes under this Section.

ARTICLE II - NON-DISCRIMINATION

Section 1--Non-Discrimination.

Neither the District nor POA shall unlawfully discriminate against any employee on the basis of race, color, religion, sex, national origin, age, marital status, or disability (as provided by state and federal law or District Policy).

- B. If the District determines that it must reasonably accommodate a disabled employee, the legal obligation shall supersede all Sections of the Agreement in conflict with the duty to reasonably accommodate.
- C. POA recognizes that the District has the legal obligation to meet individually with qualified disabled employees to discuss reasonable accommodation.

Section 3--Remedy.

Violations of Section 1 of this Article shall be subject to review as set forth in the above-noted District Policy and Procedure. Violations of this Article, District Policy 4030, or District Procedure 4030.1 shall not be subject to the grievance procedure set forth in this Agreement.

Recommendations made by the Insurance Committee shall be made by consensus. Failure to reach consensus will result in a three-fourths (3/4) vote of the total membership of the Committee. Failure to reach an agreement will result in resolution through negotiations with POA.

prior to the necessary change. Unit members shall be afforded fifteen (15) minutes at the beginning of each shift, and fifteen (15) minutes at the end of each shift to don and doff their uniform and protective gear. The District's payment of these amounts adequately compensates bargaining unit members for the time spent engaging in the donning and doffing of their uniforms. Any dispute regarding this provision is subject to the grievance and arbitration procedure contained in this bargaining unit agreement.

Section 2--Workweek.

The regular workweek shall consist of forty (40) hours during a period of not more than five (5) days. The District retains the right to extend the regular workweek as it deems necessary to carry out the District's business.

While on standby, the unit member shall remain available by telephone and remain in such proximity to the District that he/she may reasonably report for duty in thirty (30) minutes or less. Unit members required to stand by shall be paid at the rate of three dollars and

sixty-seven cents (\$3.67) per hour of standby shift plus time and one-half at the unit member's assigned hourly rate for all hours actually worked, with a guaranteed minimum of three (3) hours' pay for each time the unit member is called to a work site during the period the unit member is on standby. Officers on standby may be called to cover a shift overlapping with the standby time.

Emergency situations, including, but not limited to, absence of school police and security personnel, special security needs of the District, and periods of campus or community unrest threatening the safety of students, staff members, or property of the School District, shall be cause to change the posted schedule. Such changes shall be communicated to the affected Unit member as soon as the need for such change is known.
- B. Shift assignment is defined as specific campus, patrol days or patrol nights. Different days off on a specific shift assignment are not considered a different shift assignment for the purpose of bypassing the four (4) year rotation. Officers that have had the same shift assignment for four (4) consecutive years may be rotated to a different shift assignment at the District's discretion for the following fiscal year. For the 2010-2011 school year only, an SRO that worked at a campus for the 2009-2010 school year and elects to remain on a

Section 6--Bereavement Leave.

- A. Unit members shall be entitled to three (3) days of bereavement leave or five (5) days if travel out of state or more than two hundred (200) miles for grieving with family without loss of pay or deduction from other available leaves in the event of a death of a member of the unit member's immediate family. "Immediate family" is the same as defined in Section 5 (B) of this Article. A unit member may request approval from the District's chief Human Resources officer or designee for leave to be used in relation to a relative not designated as immediate family. The decision of the District's chief Human Resources officer or designee shall be final.
- B. If a unit member becomes aware of the death of a member of their immediate family after ninety (90) days from the death of such family member, the unit member may request bereavement leave from the District's chief Human Resources officer or designee whose decision shall be final.

Section 7--Extended-Illness Absence.

In the event of an absence of a permanent classified unit member because of non-industrial illness or accident that continued beyond all available sick leave, vacation, and any other paid leave-of-absence benefits, the following procedures shall be followed:

- A. The unit member's name shall be carried on the District's rolls in an extended-illness-absence status for a period of no more than thirty (30) calendar days from the date when all of his/her paid leave-of-absence benefits are exhausted.
- B. Prior to or at any time during the thirty (30) calendar days, extended-illness absence period, verification of the unit member's continued illness or injury may be required from the attending physician.
- C. The unit member may be returned to his/her regularly assigned duties at any time during the one-month period upon certification by the attending physician that the unit member is physically and mentally able to perform such duties as the District may require. The District may require the unit member to be released by a District-appointed physician prior to a return to regularly assigned duties.
- D. In the event that the absence of the unit member will continue beyond the one-month, extended-illness absence period, it is the unit member's responsibility to initiate a request for a leave of absence. The request should be accompanied by a recommendation of the attending physician. If granted, a leave of absence will be limited to twelve (12) consecutive calendar months, unless extended by the District at the unit member's request.
- E. If, at the conclusion of all leaves of absence, the unit member is still unable to assume the duties of his/her position, his/her employment shall be terminated, and his/her name shall be placed on a reemployment list for a period of thirty-nine (39) months. The employee shall be POST certified upon return.

Section 8--Industrial Illness and Accident Leave.

Unit members who have completed their initial probationary period, when absent from duty because of industrial illness or accident, shall be entitled to industrial illness and accident leave. Unit members must have continuously served the District for two (2) or more full years prior to the date of industrial injury before entitlement to industrial illness and accident leave. The conditions and regulations for industrial illness and accident leave are set forth below:

- A. Any absence which is supported by an authorized doctor's certificate and which is verified by the District administering agency as qualified for Workers' Compensation is an absence payable under industrial illness and accident leave. During the period of determination by the administering agency, the payroll charge will be made to the unit member's sick-leave account. If the claim is approved, an adjustment will then be made, restoring to the unit member the sick leave previously charged from the first (1st) day of absence and a charge made in lieu thereof to industrial illness and accident leave. In the event the employee does not have sick-leave credit, appropriate payroll deductions will be made. If the claim is approved, reimbursement will then be made on the first available warrant register. Industrial illness and accident leave will commence on the first (1st) day of authorized absence.
- B. A maximum of sixty (60) workdays of industrial illness or accident leave is allowable for any one (1) illness or accident, and shall be used in lieu of entitlement to any other paid leave, except as provided in Section 9 of this article.
 - (1) Eligibility for industrial illness and accident leave will continue for only such period as the unit member qualified as temporarily disabled under the Workers' Compensation laws.
 - (2) An industrial illness and accident leave may overlap into the next fiscal year by no more than the amount of leave remaining at the end of the fiscal year in which the injury or illness occurred.
 - (3) Industrial illness and accident Leave shall not be accumulative from year to year, nor one accident/illness to another.
- C. Should the employee's absence due to an industrial illness or accident extend beyond sixty (60) workdays, the unit member shall be permitted to use his/her accumulated sick leave, compensatory time, vacation, or other available leaves provided for in this Agreement, except on case where Section 9 applies. In no case shall compensation, when added to temporary disability benefits, exceed the rate of compensation to which the unit member would otherwise be entitled under specific leave provisions of this Agreement.
- D. During any period a unit member has available for his/her use paid leave benefits, the District shall monitor the temporary disability benefits to assure proper retirement credit and contributions for Public Employees' Retirement System.

- E. Upon complying with District medical-release requirements and receiving District authorization to return to work, a unit member on industrial illness and accident leave shall be reinstated in a position in the same class without loss of status or benefits.
- F. Except as provisioned in Section 9 of this Article, should the unit member's absence extend beyond all entitled paid leaves of absence, he/she shall be placed on an extended-illness leave in an unpaid status for a period of one (1) month from the date all of his/her paid leave-of-absence benefits are exhausted.
- G. If a unit member is not medically able to assume the duties of his/her position after all industrial illness and accident leave, sick leave, vacation, compensatory time, and extended-illness absence leave have been exhausted, his/her employment shall be terminated, and his/her name shall be placed on a reemployment list for a period of thirty-nine (39) months. When medically released for return to duty during the thirty-nine (39) month period, he/she shall be employed in the first (1st) vacant position in the class of his/her previous assignment over all other available candidates, except for those on a reemployment list established because of lack of work or lack of funds. A unit member who fails to accept an appropriate assignment shall be removed from the reemployment list.
- H. A unit member receiving benefits as a result of an industrial illness or accident shall, during periods of injury or illness, remain within the State of California unless the District authorized travel outside the state.
- I. For purposes of this Agreement, the term "duty" refers to all scheduled working days, including legal and District-declared holidays, on which a unit member in the bargaining unit is authorized to receive salary payments.
- J. The term "qualifying for Workers' Compensation" presupposes that an accident report has been filed according to established procedure, and that the administering agency considers the claim valid. In the event of rejection of the claim by the administering agency, industrial illness and accident leave shall not apply.

Section 9—Extension of Industrial Injury Leave.

- A. If the employee was physically injured during an act or acts of violence related to and during the performance of assigned duties, the leave of absence may be extended beyond the initial sixty (60) day period up to an additional one hundred and fifty (150) days. In order to qualify for such an extension, the employee must have (1) notified the site administrator and appropriate law enforcement authorities within twenty-four (24) hours of the incident if the employee was physically able to do so; (2) completed the employee's written report and reported for treatment as required in Section 12.0 above; (3) reported, as soon as becomes evident that an extension is to be requested, for a District approved physical examination and received approval as a result of such examination; and (4) applied in writing to the District for such an extension, using a District form. Such application should be filed with the immediate administrator as soon as the employee sees the need for such an extension, so that the District has adequate time to review and process the claim prior to the effective date of the leave extension. Determination whether the injury was the result of an act of violence, and whether the act

of violence was related to and during the performance of duties, but not whether it is compensable under worker's compensation laws, shall be made by the immediate administrator. Determination whether the injury is disabling beyond the initial sixty (60) day period shall be made by the District. An employee may be required during the extended period to be evaluated by the District at any time.

- B. For the purposes of Section 12.1 of this Article only physically injured during an act or acts is defined as a physical injury suffered by an officer as a result of any of the following:
- (1) Physical injury suffered as a direct result of a physical altercation with a suspect;
 - (2) Physical injury suffered as a direct result of an attempt to defend against a substantial threat of physical injury to the officer or a third party.
 - (3) Physical injury suffered as a direct result of pursuing a fleeing criminal suspect.

However, an act of violence will not be deemed to have occurred unless the officer reports the incident to the officer's supervisor prior to the end of the shift on which the incident occurred.

- C. Upon exhaustion of the above authorized industrial injury absence benefits, the employee shall be permitted to utilize accrued illness benefits or vacation benefits, if any. If the employee continues to receive temporary disability indemnity, will result in a payment of not more than full normal salary.
- D. An employee absent under this Section shall remain within the State of California unless the District authorizes travel outside of the state.

Section 10--Jury Duty and Witness Leave.

- A. Leave of absence for jury service shall be granted to unit members who have been officially summoned to jury duty in local, state, or federal court. Leave shall be granted for the period of required attendance for jury service. The unit member shall receive full pay while on leave, provided that the jury summons or court certification is filed with the District. Request for jury service leave should be made by filing the official court summons to jury service with Human Resources. The District shall deduct the jury service fee from the unit member's pay.
- B. Leave of absence shall be granted to a unit member in a court case unrelated to a unit member's duties and responsibilities in which a unit member has been served a subpoena to appear as a witness, not as the litigant, in the case. The length of the leave granted shall be for the number of days of required attendance in court as certified by the clerk or other authorized officer of the court. The unit member shall receive full pay during the leave period, provided that the witness fee for such leave is assigned to and the subpoena or court certification is filed with the School District. Request for leave of absence to serve as a witness should be made by presenting the official court summons to Human Resources in the event the bargaining unit member is required to appear in a case related to their job.

- C. The jury service fee and witness fee set forth in subsections "A" and "B" above do not include reimbursement for transportation expense, except in the case the bargaining unit member appears apart of his or her duties.
- D. Unit members are required to return to work during any day or portion thereof in which jury duty services are not required, except when less than two (2) hours of regularly scheduled work remains.
- E. Unit members employed four (4) hours or more per day on a regular basis and who work evenings shall be granted leave under this Section 10 equivalent to that granted other unit members scheduled to work 8:00 a.m. to 4:30 p.m., i.e., an eight (8) hour employee who serves four (4) hours on jury duty is required to work four (4) hours.

Section 11--Absence for Examination.

A unit member, upon giving his/her immediate supervisor adequate notice, shall be eligible to participate in any employment examination conducted by the San Bernardino City Unified School District without loss of pay, provided the unit member has been notified by Human Resources that he/she is eligible to participate.

Section 12--Military Leave.

Unit members shall be granted any military leave to which they are entitled under law as classified police employees. Time spent in military service shall be included in computations of years of service with the District.

Section 13--Quarantine.

A unit member shall be paid his/her regular salary for any period during which his/her place of employment is closed because of quarantine, epidemic, or other conditions involving the health or safety of employees, provided that the unit member is ready, willing, and able to perform his/her customary or other reasonable and suitable duties.

Section 14--Short-Term Leave Without Pay (Personal Business).

Unit members may be granted a short-term leave of absence without pay for reasons satisfactory to the District. If granted, the leave shall not exceed five (5) consecutive workdays during any one (1) school year.

- C. All available vacation leave must be used prior to family leave.
- D. The unit member must give as much advance notice as possible.

- E. Unit member's group health benefits as provided for in Article XII, Section 1, shall be maintained during approved family leave. If the unit member fails to return to work at the expiration of family leave, the unit member shall reimburse the District for all health benefits paid during the family leave. To maintain group dental and life insurance benefits during family leave, the unit member must pay the cost of premiums.
- F. The maximum time allowed for any FMLA/CFRA related leave is twelve (12) work weeks of unpaid leave during any "rolling" twelve (12) month period measured backward from the first date a unit member uses any family leave. During the FMLA Leave the unit member shall utilize vacation, personal and/or sick leave, if any.
- G. At the conclusion of family leave, the unit member will return to the same or comparable position without loss of hours or seniority.

Section 16--Leave of Absence.

A leave of absence without pay in excess of five (5) consecutive days may be granted as follows:

- A. For valid reasons, a request for a leave of absence without pay may be granted to a permanent unit member. A leave of absence shall not normally exceed one (1) calendar year, and shall be subject to the approval of the immediate supervisor, Human Resources, and the Board of Education.
- B. The failure of a unit member to return to work or to report for reassignment at the expiration of leave of absence shall be considered as equivalent to a resignation. A leave of absence may be revoked upon the recommendation of Human Resources and approval of the Board of Education.
- C. An application for leave of absence shall indicate the beginning and ending dates of the requested leave and the reasons for the request, and shall be submitted to Human Resources at least two (2) weeks prior to the effective date of the leave.
- D. Time spent on personal leave of absence shall not count toward seniority, salary increments, or accumulation of vacation. The granting of a leave of absence without pay for a period of six (6) months or more gives the unit member the right to return to his/her classification at the expiration of his/her leave of absence, provided that he/she is physically and legally capable of performing the duties.
- E. If a personal leave of absence is for a period of less than six (6) months, or if a combination of extended-illness absence leave and personal leave of absence is for a period of less than six (6) months, the unit member shall have a right to return to his/her position at the expiration of the leave of absence.

Section 17--Vacation.

Unit members, employed as regular classified police employees of the District, shall receive paid vacation as provided for in this Section 16.

 - (2) Fractional days of vacation leave may be granted in not less than one-half (1/2) hour increments.
 - (3) Vacation leave is exclusive of regularly assigned days off and holidays set forth in Article X.

D. Separation, Termination, Reduction in Work Year.

- (1) Upon separation from service, a Unit member shall be entitled to a lump-sum compensation for all earned and unused vacation, except that a unit member who has not completed twelve (12) months of employment in a regular status shall not be entitled to such compensation.

ARTICLE XV - LAYOFF AND REEMPLOYMENT

Section 1--Layoff.

The District reserves, retains, and is vested with the sole and exclusive right to lay off unit members for any reason allowed by law. In the exercise of this exclusive right, the District makes the sole determination as to the specific positions to be eliminated. POA has retained the right to negotiate the effects of layoff on unit members.

Section 2--Notice.

Unit members shall receive notice of layoff at least forty-five (45) calendar days prior to the effective date of the layoff, and shall be informed of their rights under this Article. Copies of said notices shall be sent to POA.

Section 3--Seniority for Layoff Purposes.

- A. Notwithstanding the provisions of Article XV of the Collective Bargaining (CBA) between the parties, the District agrees that bargaining unit members subject to layoff will be given a minimum forty-five (45) days advance, or notice no later than April 29, in the event they are subject to layoff at the end of the school year as a result of the expiration of a specially funded program. In no event shall notice of layoff be less than forty-five (45) days. Additionally, the District agrees that notwithstanding the provisions of Article XV of the CBA, layoff within a class will be determined by length of service in the class and higher classes and the employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first. Re-employment shall be in the reverse of layoff.
- B. Prior to issuance of notices of layoff, a seniority list for each class of positions affected shall be prepared by the District. Copies of the seniority lists shall be sent to POA and shall be made available for public review.

Section 4--Layoff Procedures.

Layoff shall be made in inverse order of seniority in the class in which the layoff occurs. The unit member who has been employed the shortest time shall be considered to have the least seniority, and therefore shall be laid off first. No regular unit member shall be laid off from any position while an employee serving under a substitute, provisional, emergency, or limited-term appointment is retained in a position in the same class, unless the regular unit member declines assignment to the temporary position.

Section 5--Bumping Rights.

A unit member laid off from his or her present class may bump into an equal or the next lowest class in which the unit member had prior standing as an employee.

- A. Unit members may not bump into a lower class if a vacant position in the unit member's present class exists.
- B. When a unit member exercises bumping rights under this Section 5, he/she shall bump the unit member with the least seniority assigned to like hours and like months within a

classification. When there are no unit members assigned to like months to be bumped, the unit member shall bump the least senior unit member of like hours, regardless of the number of months assigned.

Section 6--Transfer.

The District shall transfer a qualified unit member subject to layoff to a vacant position for which they have previously held permanency status, at an equal or lower salary level with the agreement of the unit member. If the transfer is to a lower-paying class, it shall be considered as a voluntary demotion. The District shall determine qualifications for purposes of this Section.

Section 7--Reduction of Hours.

The District reserves the right to offer unit members the opportunity to reduce hours in lieu of layoff. Any such reduction of hours shall be voluntary on the part of the unit member. Such reduction in hours, if any, shall be considered a layoff for purposes of reemployment rights.

Section 8--Reemployment.

- A. Unit members who have been laid off shall be placed on a reemployment list for the class from which they are being laid off. Placement on the reemployment list shall be in order of seniority. A reemployment list shall remain in force for a period of thirty-nine (39) months. Persons on such a list shall be reemployed in preference to new applicants.

Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff or to remain in their present positions rather than be reclassified or reassigned shall be granted the same rights as persons laid off, and shall retain eligibility to be considered for re-employment for an additional period of up to twenty-four (24) months, provided that the same tests of fitness under which they qualified for appointment to the class shall still apply.

- B. Any unit member who is laid off and is subsequently eligible for reemployment shall be first notified by telephone of an opening. If the unit member cannot be notified by telephone, the unit member shall be notified of an opening in writing by the District. Such notice shall be sent by certified mail to the last address given the District by the unit member and a copy shall be sent to POA by the District, which shall acquit the District of its notification responsibility.
- C. A unit member shall mail, or otherwise notify, the District of his/her intent to accept or reject re-employment within five (5) working days following receipt of the reemployment offer notice. If the unit member accepts reemployment, the unit member must report to work in accordance with the District's offer, but in no event may the unit member be required to report earlier than fifteen (15) working days following receipt of the reemployment notice. A unit member who refuses such reemployment offer thereby forfeits all re-employment rights, and the unit member's name shall be removed from the reemployment list.

ARTICLE XVI - GRIEVANCE PROCEDURE

Section 1--Definitions.

- A. A "grievance" is a formal written allegation by a unit member that he/she has been adversely affected by misapplication or incorrect interpretation of a specific provision of this Agreement. Actions to challenge or change District policy or regulation are not subject to the grievance procedure.
- B. A grievant may be any unit member of the Association.
- C. The "immediate supervisor" is the lowest level administrator having jurisdiction over the grievant who has been designated to adjust grievances.
- D. A "day" is any day in which the central administrative offices of the District are open for business.

Section 2--General Provisions.

- A. Before filing a formal written grievance, the unit member shall attempt to resolve it by an informal conference with his/her immediate supervisor.
- B. The grievant has the right to have a local representative present at any level of the grievance procedure beginning with formal Level I set forth in Section 3 of this Article.
- C. During the pendency of any proceeding and until a final determination has been reached, all proceedings shall be private.
- D. Any unit member may present grievances to the employer and have such grievances adjusted during formal Levels I and II herein, without the intervention of the exclusive representative, as long as the adjustment is not inconsistent with the terms of this contract. The District shall not agree to a final resolution of the grievance until the exclusive representative has received a copy of the grievance and the proposed resolution, and has been given the opportunity to file a response. A grievant may be represented by POA or may represent himself/herself.
- E. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of the procedure within the time allotted had the decision been given. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision. Time limits given in this procedure may be modified by written agreement of all the parties involved.
- F. In the event that a grievance affects more than one unit member, the grievance may be filed on behalf of all affected unit members, and if the grievance affects unit members at more than one work location, it may be initiated at formal Level II. Grievances concerning the same issue may be consolidated as long as it does not create an unnecessary delay.
- G. The District shall make available grievance forms. All grievances filed as set forth in Section 3 shall be filed on grievance forms and shall clearly set forth the name of the grievant, specific provisions of this Agreement allegedly misinterpreted or misapplied, and be signed and dated.
- H. The District shall grant POA a reasonable amount of release time to assist in presenting grievances at a personal conference with a District person or at formal Level III as permitted herein. POA shall designate a reasonable number of unit members to be job

representatives and shall notify the District in writing of the names of such job representatives and the unit members they represent. If a change is made, the District shall be advised in writing. Release time shall be requested by the job representative twenty-four (24) hours in advance in order that substitute service may be obtained, if such is necessary, and shall be limited solely to one job representative in a given conference or at the formal Level III herein.

Section 3--Levels of the Grievance Procedure.

- A. Level I: Within ten (10) business days after the occurrence of the act or omission giving rise to the grievance or when the grievant knew or should have known of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing on the appropriate form to his/her supervisor. This statement shall be a clear, concise statement of the grievance, the circumstances involved, the decision rendered at the informal conference, and the specific remedy sought. Within the above time limits, either party may request a personal conference.

The supervisor shall communicate his/her decision to the grievant in writing within ten (10) business days after receiving the grievance. If the supervisor does not respond within the time limits, the grievant may appeal to the next level.

- B. Level II: If the grievant is not satisfied with the decision at formal Level I, he/she may, within ten (10) business days, appeal the decision on the appropriate form to the Superintendent or his designee. This statement shall be a copy of the original grievance, the decisions rendered, and a clear, concise statement of the reasons for the appeal. Either the grievant or the Superintendent or his designee may request a personal conference within the above time limits.

The Superintendent or his designee shall communicate his/her decision to the grievant within ten (10) business days. If the Superintendent or his designee does not respond within the time provided, the grievant may appeal to the next level.

- C. Level III: If the grievant is not satisfied with the disposition of his/her grievance at formal Level II, he/she may, within ten (10) business days, request in writing that POA appeal the grievance. POA may, by written notice to the Superintendent or his designee within fifteen (15) business days after receipt of the request from the grievant, submit the grievance to arbitration. If the two Parties cannot agree on an arbitrator, they shall request an odd-numbered list of experienced arbitrators from the California State Conciliation Service or the American Arbitration Association. The arbitrator shall be selected within ten (10) business days by the alternate strike method until only one (1) name remains.

Arbitration shall be conducted as follows:

- (1) The arbitrator will decide the time and place for a hearing. The hearing will be private, and, unless otherwise agreed, will be conducted in accordance with the Voluntary Rules of the American Arbitration Association.
- (2) The arbitrator shall not consider any matter outside the scope of the grievance as defined in this Agreement, shall confine the decision to the precise issue submitted, and shall have no authority to make a recommendation on any other issue. However, the issue as to whether a matter is outside the scope of the grievance is to be determined by the arbitrator.
- (3) After the close of the hearing, both Parties shall have an opportunity to submit written arguments.
- (4) The arbitrator shall submit the award in writing to all the Parties within thirty (30) business days after submission, which award shall be binding.
- (5) The cost of the arbitrator and hearing expenses shall be shared equally by the District and POA.

The supervisor shall prepare a written memoranda setting forth the recommended disciplinary action. The Chief of Police or designee shall meet with the affected parties and render his/her final decision within ten (10) working days.

ARTICLE XVIII - CLASSIFICATION

Section 1--Authority of District.

It is the sole and exclusive right and responsibility of the District to determine the job content, qualifications, duties, and standards of each position within the unit. In the exercise of this exclusive right, the District will assign all positions to a classification.

Section 2--New Classifications.

If, during the term of this Agreement, a new classification within the unit is created, the District will give notice to POA and propose a salary range. If POA does not agree with the proposed salary range, it must request to meet and negotiate on the salary recommendation within ten (10) days of receipt of the notice. If unable to reach an agreement on a salary range, the issue will be submitted to impasse as provided by law.

Section 3--Working Out of Classification.

The District may require unit members to temporarily work out of classification. When assigned to work out of classification in excess of five (5) working days in a fifteen (15) calendar-day period, the unit member's pay shall be advanced to the first (1st) step on the salary range for the higher classification which assures a minimum of a one (1) range increase (approximately 4%). Such increase in pay shall be for the entire period the unit member is assigned to work out of classification.

Section 4--Working Out of Classification in a Management Position.

The District may require unit members to temporarily work out of classification in a management position. When assigned to work out of classification in excess of five (5) working days in a fifteen (15) calendar-day period, the unit member's pay shall be advanced by three (3) ranges. Such increase in pay shall be for the entire period the unit member is assigned to work out of classification.

ARTICLE XIX - DRUG AND ALCOHOL USE

Section 1--Purpose.

The purpose of this Article is to eliminate substance abuse and its effects in the work place. While unit members have certain rights to privacy, involvement with drugs and alcohol can take its toll on job performance and employee safety. Unit members must be in a condition to perform their duties safely and efficiently, in the interest of students, fellow workers, and the public as well as themselves. The presence of drugs and alcohol on the job and the influence of these substances on employees during working hours are inconsistent with this objective.

Section 2--Employee Assistance Program.

The District shall provide an Employee Assistance Program (EAP). Unit members who think they have an alcohol- or drug-usage problem are urged to voluntarily seek confidential counseling through the EAP. Use of the EAP shall not be used for disciplinary purposes.

Section 3--Prohibited Acts.

Unit members shall not be under the influence of or in possession of alcohol or drugs while on District property, at work locations, or while on duty or subject to be called to duty with the sole exception of those incidents arising from the course and scope of a Unit member's duty. Unit members shall not use such substances while they are subject to District duty, sell or provide drugs or alcohol to any other employee or to any person while such employee is on duty or subject to being called to duty, nor have their ability to work impaired as a result of the use of alcohol or drugs.

Section 4--Testing.

Any unit member reasonably believed to be using alcohol or drugs may be required to submit to physical or psychological examination and/or urine, blood, breath and/or other designated medical or chemical tests for evidence of drug and/or alcohol use. The cost of the tests shall be paid by the District. A chain of custody shall be maintained on each test sample. Urine samples shall be preserved for up to two (2) years. If the unit member's urine specimen tests positive for drugs, a second test shall be conducted using the Gas-Chromatography-Mass Spectrophotometry (GC-MS) method.

The laboratory selected to conduct the testing must meet or exceed the following professional standards:

- A. A forensic laboratory accredited by the College of American Pathologists.
- B. Adhere to the College of American Pathologists' guidelines.
- C. Membership in the California Association of Toxicologists.
- D. Participate in a voluntary proficiency screening of the California Association of Toxicologists.
- E. Have written procedures regarding equipment maintenance and toxicology testing.
- F. Maintain a maintenance log on all toxicology testing equipment.
- G. Make available a record of all laboratory employees and their qualifications.

Refusal to submit to the testing when reasonable suspicion exists shall constitute insubordination, which is cause for dismissal.

Section 5--Reasonable Suspicion.

"Reasonable suspicion" is a belief based on objective facts sufficient to lead a reasonably prudent supervisor or manager to suspect that a unit member is under the influence of drugs or alcohol so that the unit member's ability to perform the functions of the job is impaired or so that the unit member's ability to perform his/her job safely is reduced.

For example, any of the following, alone or in combination, may constitute reasonable suspicion:

- A. Slurred speech
- B. Alcohol odor on breath
- C. Unsteady walking and movement
- D. A traffic collision involving District property in conjunction with another factor in this Section 5
- E. Accident causing injury to any party involved in conjunction with another factor in this Section 5
- F. Unusual behavior that can be articulated
- G. Possession of alcohol or drugs outside course and scope of duty
- H. Information obtained from a reliable person with personal knowledge
- I. Failure to pass field sobriety test given due to reasonable suspicion under this Section

Anonymous information shall not constitute the sole basis for reasonable suspicion.

Section 6--Discipline.

A positive result from a drug and/or alcohol analysis may result in a disciplinary action, up to and including dismissal.

Section 7--Rehabilitation.

Depending upon the circumstances, and provided that the unit member has consented in writing to the testing, the District, in its sole discretion, may offer the unit member an opportunity to enter into a rehabilitation agreement prior to taking disciplinary action. Unit members entering a rehabilitation program in lieu of discipline shall be required to submit to random testing for up to one (1) year after completion of the program. Violation of the rehabilitation agreement shall be cause for disciplinary action, up to and including dismissal.

While receiving medical treatment for alcohol or drug abuse, the unit member shall be eligible to apply for sick leave and long-term sick leave benefits as provided for in Article XIII.

ARTICLE XX - CONCERTED ACTIVITIES

Section 1--Association Obligations.

It is agreed and understood that there will be no strike, work stoppage, slowdown, or any concerted action or other interference with the operations of the District by the POA or by its officers, agents, or members during the term of this Agreement, including compliance with the request of other employee organizations to engage in such activity. POA recognizes the duty and obligation of its representatives to comply with the provisions of this Agreement and the law and to make every effort toward inducing all unit members to do so. In the event of a strike, work stoppage, slowdown, concerted action, or other interference with the operations of the District by unit members who are represented by POA, POA agrees, in good faith, to take all necessary steps to cause those unit members to cease such action.

Board of Education Meeting
August 17, 2010

Section 2--Breach of Agreement.

It is understood that in the event Section 1 above is violated, this Agreement shall be breached and the District may elect to withdraw any rights, privileges, or services provided for herein from any unit members or POA.

Section 3--District Obligations.

During the term of this Agreement or any extension thereof, the District agrees that it will not lock out its employees.

ARTICLE XXI - EFFECT OF AGREEMENT

Section 1--Complete Understanding.

POA and the District acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the Parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the District and POA, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter whether referred to or not in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the Parties at the time they negotiated or signed this Agreement.

Section 2--Classified Personnel Rules and Regulations.

All current and future rules and regulations adopted by the Personnel Commission within the scope of meeting and negotiating shall not be applicable to unit members covered by this Agreement. Any personnel commission rules and regulations which are in direct conflict with any of the specific terms of this collective bargaining agreement shall not be applicable to unit members.

Section 3--Termination of the Merit System.

If, during the term of this Agreement, the Personnel Commission is abolished, the District agrees to meet and negotiate with POA on matters within the scope of representation that have been governed by Personnel Rules and Regulations adopted by the Personnel Commission.

Section 4--Contract Waivers.

Specific provisions of this Agreement may be waived by written agreement of POA and the District. Contract waivers shall not be deemed as a precedent, and shall not, under any circumstances, be used as a basis for extending the same consideration to other unit members.

ARTICLE XXII - SAVINGS

If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions shall not be deemed valid or subsisting, except to the extent permitted by law, but all other provisions will continue in full force and effect. In the event of

suspension or invalidation of any Article or Section of this Agreement, the Parties agree to meet and negotiate on the issue at a mutually agreeable time and place after such determination.

ARTICLE XXIII - TERM OF AGREEMENT

Section 1--Duration.

Except as otherwise provided herein and in Section 2 below, this Agreement shall remain in full force and effect from July 1, 2009, through June 30, 2012. The specific terms of this agreement shall become effective July 1, 2010. (This sentence shall drop off during subsequent negotiations in 2011-2012).

Section 2--Renegotiation of Wages and Benefits.

No sooner than June 1 and no later than July 1, 2011, either Party may submit an initial proposal for renegotiation of wages as set forth in Section 1 of Article VI, and Benefits as set forth in Article VII. POA and the District each may submit one (1) additional Article of this Agreement for renegotiation along with the wages for the annual salary and benefits renegotiations. The renegotiations shall promptly commence after public notification requirements of Government Code Section 3547 have been satisfied.

Section 3--Successor Negotiations.

Preceding expiration of this Agreement, POA shall present its initial proposals.

Section 4--Amendment.

This Agreement shall not be opened during the term of this Agreement except by specific reference in this Agreement or by specific written mutual consent of the Parties.
