Board of Education Meeting  
January 11, 2011

If you wish to speak on items elsewhere in the agenda or appropriate matters not on the agenda, you may do so in *Session Five - Other Matters Brought by Citizens.*

4.1 Approval to Amend Board Policy 6142.7 (Physical Education) Second Reading  
(Prepared by Curriculum/Instruction & Accountability and Research Division)

Based upon the Board's request to review current District policies and practices regarding Marching Band and to offer credit in a similar fashion as nearby districts, we recommend the following addition to the board policy:

San Bernardino City USD | 6000 | BP 6142.7 Instruction

**Physical Education**

The Board of Education recognizes the positive benefits of physical activity for student health and academic achievement. The Board desires to provide an activity-focused physical education program that supports the district's coordinated student wellness program, builds interest and proficiency in movement skills, and encourages students' lifelong fitness through physical activity. Besides promoting high levels of personal achievement and a positive self-image, physical education activities should teach students how to cooperate in the achievement of common goals.

***The Board recognizes that a high school marching band may fulfill PE credit towards meeting graduation requirements when the teacher is credentialed in accordance with all state credentialing requirements. The marching band program will meet legally required objectives and state model content standards for physical education. This action will be retroactive to the beginning of the 2010-2011 school year.***

(cf. 5030 - Student Wellness)

(cf. 5121 - Grades/Evaluation of Student Achievement)

(cf. 6142.8 - Comprehensive Health Education)

(cf. 6145.2 - Athletic Competition)

(cf. 6146.1 - High School Graduation Requirements)

(cf. 6146.11 - Alternative Credits Toward Graduation)

Note: An Attorney General opinion (53 Ops.Cal.Atty.Gen. 230 (1970)) allows marching band classes to be included as part of the physical education program provided that the entire program substantially meets the objectives and criteria of Education Code 51220, adequately prepares

students for state physical fitness performance tests, and is taught by a teacher holding a physical education credential. However, the CDE cautions that it is difficult to meet state content standards for physical education through a marching band class. If the district classifies marching band or similar activities as part of the physical education program, the Board should ensure that the program in its entirety meets legally required objectives and state content standards for physical education.

The Board shall approve the components of the physical education program. The district's program shall be aligned with state model content standards and curriculum frameworks for physical education and shall include a variety of kinesthetic activities, including team and individual sports, as well as aesthetic movement forms, such as dance.
