California Education Code Section 60119 specifies that the governing boards of school districts are subject to the requirements of Education Code Section 60119 (as revised by Chapter 118, Statutes of 2005 and CCR, Title 5, Section 9531) in order to receive instructional materials funds. The governing board of each district and county office of education is required to hold an annual public hearing and adopt a resolution stating whether each pupil in the district has sufficient textbooks or instructional materials in specified subjects that are aligned to the academic content standards and consistent with the content and cycles of the curriculum frameworks adopted by the state board.

The adoption of designated textbooks for each course Districtwide is an essential part of the development of an articulated, sequential, and standardized curriculum in each subject. The San Bernardino City Unified School District has an ongoing procedure whereby textbooks are continually reviewed and updated by committees that are representative of the school community. Books are reviewed for content and their match with District and State frameworks.

This Public Hearing is being held to enable additional input by parents, teachers, and members of the community, and bargaining union leaders in order to comply with Education Code 60119.

Conduct Public Hearing

It is recommended that the following resolution be adopted:

WHEREAS, the governing board of the San Bernardino City Unified School District, in order to comply with the requirements of Education Code Section 60119, held a public hearing on August 6, 2013, at 5:30 o'clock, which is on or before the eighth week of school and which did not take place during or immediately following school hours, and;

WHEREAS, the governing board provided at least 10 days notice of the public hearing posted in at least three public places within the district that stated the time, place and purpose of the hearing, and;

WHEREAS, the governing board encouraged participation by parents, teachers, members of the community, and bargaining unit leaders in the public hearing, and;

Board of Education Meeting
August 6, 2013

WHEREAS, information provided at the public hearing and to the governing board at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the San Bernardino City Unified School District, and;

WHEREAS, the definition of “sufficient textbooks or instructional materials” means that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and;

WHEREAS, sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in the following subjects:

- Mathematics
- Science
- History-social science
- English/language arts

WHEREAS, sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and;

WHEREAS, laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive;

THEREFORE, BE IT RESOLVED that for the 2013-2014 school year, the San Bernardino City Unified School District has provided each pupil in Tracks A, B, and C with sufficient textbooks and instructional materials aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks.

3.2 Public Disclosure of Memorandum of Understanding (Article XIV - Leaves)
Between the San Bernardino City Unified School District and California School
Employees Association (CSEA)

(Prepared by the Human Resources Division)

On May 15, 2013, CSEA’s 610 Policy review was completed and on May 28, 2013, CSEA membership ratified the following Memorandum of Understanding (MOU) regarding Article XIV - Leaves. In addition, the MOU has been filed with San Bernardino County Superintendent of Schools for review. Section 8--Industrial Illness and Accident Leave.

Unit members who have completed their initial probationary period, when absent from duty because of industrial illness or accident, shall be entitled to industrial illness and accident leave. Unit members must have continuously served the District two (2) three (3) or more full years prior to the date of industrial injury before entitlement to industrial illness and accident leave. The conditions and regulations for industrial illness and accident leave are set forth below:

- A. (See Appendix F) Any absence which is supported by an authorized doctor's certificate and which is verified by the District administering agency as qualified for Workers' Compensation is an absence payable under industrial illness and accident leave. During the period of determination by the administering agency, the payroll charge will be made to the unit member's sick-leave account. If the claim is approved, an adjustment will then be made, restoring to the unit member the sick leave previously charged from the first (1st) day of absence and a charge made in lieu thereof to industrial illness and accident leave. In the event the employee does not have sick-leave credit, appropriate payroll deductions will be made. If the claim is approved, reimbursement will then be made on the first available warrant register. Industrial illness and accident leave will commence on the first (1st) day of authorized absence.
- B. A maximum of sixty (60) workdays of industrial illness or accident leave is allowable for any one (1) illness or accident, and shall be used in lieu of entitlement to any other paid leave.
 - (1) Eligibility for industrial illness and accident leave will continue for only such period as the unit member qualified as temporarily disabled under the Workers' Compensation laws.
 - (2) An industrial illness and accident leave may overlap into the next fiscal year by no more than the amount of leave remaining at the end of the fiscal year in which the injury or illness occurred.
 - (3) Industrial illness and accident Leave shall not be accumulative from year to year, nor one accident/illness to another.

- C. Should the employee's absence due to an industrial illness or accident extend beyond sixty (60) workdays, the unit member shall be permitted to use his/her accumulated sick leave, compensatory time, vacation, or other available leaves provided for in this Agreement. In no case shall compensation, when added to temporary disability benefits, exceed the rate of compensation to which the unit member would otherwise be entitled under specific leave provisions of this Agreement.
- D. During any period a unit member has available for his/her use paid leave benefits, the District shall monitor the temporary disability benefits to assure proper retirement credit and contributions for Public Employees' Retirement System.
- E. Upon complying with District medical-release requirements and receiving District authorization to return to work, a unit member on industrial illness and accident leave shall be reinstated in a position in the same class without loss of status or benefits.
- F. Should the unit member's absence extend beyond all entitled paid leaves of absence, he/she shall be placed on an extended-illness leave in an unpaid status for a period of one (1) month from the date all of his/her paid leave-of-absence benefits are exhausted.
- G. If a unit member is not medically able to assume the duties of his/her position after all industrial illness and accident leave, sick leave, vacation, compensatory time, and extended-illness absence leave have been exhausted, his/her employment shall be ~~terminated~~ **separated** ~~placed in a inactive status,~~ and his/her name shall be placed on a reemployment list for a period of thirty-nine (39) months. When medically released for return to duty during the thirty-nine (39) month period, he/she shall be employed in the first (1st) vacant position in the class of his/her previous assignment over all other available candidates, except for those on a reemployment list established because of lack of work or lack of funds. A unit member who fails to accept an appropriate assignment shall be removed from the reemployment list.
- H. A unit member receiving benefits as a result of an industrial illness or accident shall, during periods of injury or illness, remain within the state of California unless the District authorized travel outside the state.
- I. For purposes of this Agreement, the term "duty" refers to all scheduled working days, including legal and District-declared holidays, on which a unit member in the bargaining unit is authorized to receive salary payments.
- J. The term "qualifying for Workers' Compensation" presupposes that an accident report has been filed according to established procedure, and that the administering agency considers the claim valid. In the event of rejection of the claim by the administering agency, industrial illness and accident leave shall not apply.

Section 9--Jury Duty and Witness Leave.

- A. Leave of absence for jury service shall be granted to unit members who have been officially summoned to jury duty in local, state, or federal court. Leave shall be granted for the period of required attendance for jury service. The unit member shall receive full pay while on leave, provided that the jury summons or court certification is filed with the District. Request for jury service leave should be made by filing the official court summons to jury service with Human Resources. The District shall deduct the jury service fee from the unit member's pay.
- B. Leave of absence to serve as a witness in a court case shall be granted a unit member when he/she has been served a subpoena to appear as a witness, not as the litigant, in the case. **MEMORANDUM OF UNDERSTANDING BETWEEN
SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT AND
SAN BERNARDINO SCHOOL POLICE OFFICERS ASSOCIATION (SBSPOA)**

5% Salary Reduction

This Memorandum of Understanding (MOU) is made and entered into this 2nd day of July, 2013, between the SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT (hereinafter referred to as "District") and the SAN BERNARDINO SCHOOL POLICE OFFICERS ASSOCIATION (hereinafter referred to SBSPOA).

The District and SBSPOA agree to the following:

As part of the budget reduction plan approved by the Board of Education on February 21, 2012, SBSPOA was asked to maintain the 5% salary cut that was in place in prior years. In order to accomplish this, unit members will maintain a 3.48% salary reduction for the 2012-13 fiscal year retroactive to July 1, 2012. In exchange for this salary reduction, unit members will be afforded nine (9) furlough days. Due to the varying schedules of the District's school police officers and a desire to maintain equity among all unit members, the furlough days will be equivalent to seventy-two (72) work hours.

The balance of the 5% reduction will be borne by SBSPOA via salary savings realized through vacant school police officer positions during the 2012-2013 fiscal year.

Unused furlough days/hours may be carried over into the 2013-14 fiscal year without further loss of compensation.

The undersigned declare that they have read this document consisting of one (1) typewritten page and that they understand its terms.
