such request should allow at least two weeks before the scheduled meeting date. Items submitted less than two weeks before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue. ***The Board will accept suggestions from staff on how much time is necessary for preparation.***

Any member of the public may request that a matter within the jurisdiction of the Board be placed on the agenda of a regular meeting. The request must be in writing and be submitted to the Superintendent or designee with supporting documents and information, if any, at least two weeks before the scheduled meeting date. Items submitted less than two weeks before the scheduled meeting date may be postponed to a later meeting in order to allow sufficient time for consideration and research of the issue.

The Board President and Superintendent shall decide whether a request is within the subject matter jurisdiction of the Board. Items not within the subject matter jurisdiction of the Board may not be placed on the agenda. In addition, the Board President and Superintendent shall determine if the item is merely a request for information or whether the issue is covered by an existing policy or administrative regulation before placing the item on the agenda.

The Board President and Superintendent shall decide whether an agenda item is appropriate for discussion in open or closed session, and whether the item should be an action item subject to Board vote, an information item that does not require immediate action, or a consent item that is routine in nature and for which no discussion is anticipated.

Public items submitted under this provision will be itemized as a subsection under ~~Other Matters Brought By Citizens~~ ***Public Comment***. An individual's submission under this item will be considered their only input (five minutes) under ~~Other Matters Brought by Citizens~~ ***Public Comment***. Under no circumstances shall an individual have a combined total of 15 minutes on all agenda items during a Board meeting. The Board President may use his/her prerogative to combine public times on related topics to ensure the proper functioning of the governing board meetings.

Any Board action that involves borrowing \$100,000 or more shall be discussed, considered, and deliberated upon as a separate item of business on the meeting agenda. (Government Code [53635.7](#))

7.2 Amendments to Board Bylaws 9323-Meeting Conduct (First Reading)
(Prepared by Superintendent)

Meeting Conduct

Meeting Procedures

All Board of Education meetings shall begin on time and shall be guided by an agenda prepared in accordance with Board bylaws and posted and distributed in accordance the Ralph M. Brown Act (open meeting requirements) and other applicable laws.

(cf. [9322](#) - Agenda/Meeting Materials)

The Board president shall conduct Board meetings in accordance with Board bylaws and procedures that enable the Board to efficiently consider issues and carry out the will of the majority.

(cf. 9121 - President)

The Board believes that late night meetings deter public participation, can affect the Board's decision-making ability, and can be a burden to staff. The Board may at its discretion postpone business on the agenda for a later date in the interest of public discussion and adequate time for good decision-making processes.

(cf. [9320](#) - Meetings and Notices)

Board of Education Meeting
September 16, 2014

Quorum and Abstentions

The Board shall act by majority vote of all of the membership constituting the Board. (Education Code [35164](#))

(cf. [9323.2](#) - Actions by the Board)

The Board believes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains, his/her abstention shall not be counted for purposes of determining whether a majority of the membership of the Board has taken action.

(cf. [9270](#) - Conflict of Interest)

If a Board consists of seven members and not more than two vacancies occur on the Board, the vacant position(s) shall not be counted for purposes of determining how many members of the Board constitute a majority. In addition, if a vacancy exists on the Board, whenever any provisions of the Education Code require unanimous action of all or a specific number of the members, the vacant position(s) shall be not be counted for purposes of determining the total membership constituting the Board. (Education Code [35165](#))

Public Participation

Members of the public are encouraged to attend Board meetings and to address the Board concerning any item on the agenda or within the Board's jurisdiction. So as not to inhibit public participation, persons attending Board meetings shall not be requested to sign in, complete a questionnaire, or otherwise provide their name or other information as a condition of attending the meeting.

In order to conduct district business in an orderly and efficient manner, the Board requires that public presentations to the Board comply with the following procedures:

1. The Board shall give members of the public an opportunity to address the Board on any item of interest to the public that is within the subject matter jurisdiction of the Board, either before or during the Board's consideration of the item. (Education Code [35145.5](#), Government Code [54954.3](#))

2. At a time so designated on the agenda at a regular meeting, members of the public may bring before the Board matters that are not listed on the agenda. The Board shall take no action or discussion on any item not appearing on the posted agenda, except as authorized by law. (Education Code [35145.5](#), Government Code [54954.2](#))

3. Without taking action, Board members or district staff members may briefly respond to statements made or questions posed by the public about items not appearing on the agenda. Additionally, on their own initiative or in response to questions posed by the public, a Board or staff member may ask a question for clarification, make a brief announcement, or make a brief report on his/her own activities. (Government Code [54954.2](#))

Board of Education Meeting
September 16, 2014

Furthermore, the Board or a Board member may provide a reference to staff or other resources for factual information, ask staff to report back to the Board at a subsequent meeting concerning any matter, or take action directing staff to place a matter of business on a future agenda. (Government Code [54954.2](#))

4. The Board need not allow the public to speak on any item that has already been considered by a committee composed exclusively of Board members at a public meeting where the public had the opportunity to address the committee on that item. However, if the Board determines that the item has been substantially changed since the committee heard the item, the Board shall provide an opportunity for the public to speak. (Government Code [54954.3](#))

(cf. [9130](#) - Board Committees)

5. A person wishing to be heard by the Board shall first be recognized by the president and shall then proceed to comment as briefly as the subject permits.

Individual speakers shall be allowed ~~three~~ *five* minutes to address the Board on each agenda or nonagenda item. The Board shall limit the total time for public input on each item to 30 minutes. With Board consent, the president may increase or decrease the time allowed for public presentation, depending on the topic and the number of persons wishing to be heard. The president may take a poll of speakers for or against a particular issue and may ask that additional persons speak only if they have something new to add.

6. The Board president may rule on the appropriateness of a topic. If the topic would be more suitably addressed at a later time, the president may indicate the time and place when it should be presented.

The Board shall not prohibit public criticism of its policies, procedures, programs, services, acts, or omissions. (Government Code [54954.3](#)) In addition, the Board may not prohibit public criticism of district employees.

Whenever a member of the public initiates specific complaints or charges against an employee, the Board president shall inform the complainant that in order to protect the employee's right to adequate notice before a hearing of such complaints and charges, and also to preserve the ability of the Board to legally consider the complaints or charges in any subsequent evaluation of the employee, it is the policy of the Board to hear such complaints or charges in closed session unless otherwise requested by the employee pursuant to Government Code [54957](#). The Board president shall also encourage the complainant to file a complaint using the appropriate district complaint procedure.

(cf. 1312.1 - Complaints Concerning District Employees)
(cf. [9321](#) - Closed Session Purposes and Agendas)

7. The Board president shall not permit any disturbance or willful interruption of Board meetings. Persistent disruption by an individual or group shall be grounds for the president to terminate the privilege of addressing the Board.

Board of Education Meeting
September 16, 2014

The Board may remove disruptive individuals and order the room cleared if necessary. In this case, members of the media not participating in the disturbance shall be allowed to remain, and individuals not participating in such disturbances may be allowed to remain at the discretion of the Board. When the room is ordered cleared due to a disturbance, further Board proceedings shall concern only matters appearing on the agenda. (Government Code [54957.9](#))

When such disruptive conduct occurs, the Superintendent or designee shall contact local law enforcement.

Recording by the Public

The Superintendent or designee shall designate locations from which members of the public may broadcast, photograph, or tape record open meetings without causing a distraction.

(cf. [9324](#) - Board Minutes and Recordings)

If the Board finds that noise, illumination, or obstruction of view related to these activities would persistently disrupt the proceedings, these activities shall be discontinued or restricted as determined by the Board. (Government Code [54953.5](#), [54953.6](#))

8.35 Emergency Replacement of the Carrier Central Plant Air Conditioning Chiller Control Panel at Arroyo Valley High School
(Prepared by Business Services)

On July 24, 2014, it was discovered that extensive damage occurred to the Carrier central plant air conditioning control panel at Arroyo Valley High School's J-wing as a result of a fire from an electrical short in the unit. The Arroyo Valley High School's J-wing is the Performing Arts Theatre and is comprised of the stage, theatre seating area, and two separate classrooms. It is utilized for all theatrical and musical productions, choir and band practices, as well as student assemblies, and faculty and parent meetings. This control panel is proprietary equipment from Carrier and is no longer manufactured. In order to prevent further disruption to Arroyo Valley High School, Maintenance & Operations is requesting approval to contract directly with Carrier to provide a custom control replacement panel to repair this unit in the most expeditious time frame possible. The procurement and installation time is six to eight weeks after receipt of a purchase order. If the control panel for the Carrier chiller were to be competitively advertised and bid, all contractors would be required to order the replacement control panel directly from Carrier. This would only delay the delivery and installation by the amount of time to advertise and award a contract, and this would also increase the cost versus going directly to Carrier.

In order to prevent a disruption to the learning environment and performing arts activities for more than 2,600 students at Arroyo Valley High School, the San Bernardino City Unified School District has declared an emergency and is requesting that a District-authorized agent be given emergency authorization to sign any agreements or documents necessary to make all required repairs. The total cost for these repairs is estimated not to exceed \$45,000.00 and will be paid from the Unrestricted General Fund-Deferred Maintenance, Account, No. 707.

Public Contract Code 20113 relieves the Governing Boards of school districts from bidding requirements when emergency repairs, alterations, work, or improvements are necessary to permit the continuance of existing school classes or to avoid danger to life or property. Board of Education unanimous approval is required for an emergency request to the County Superintendent of Schools asking for the approval to enter into any necessary contract(s) in writing or otherwise on behalf of the District for the performance of labor and furnishing of materials and supplies for this purpose without advertising for or inviting bids. Board Policy 2122b allows the Superintendent to take emergency actions to ensure the safety of students.

It is recommended that the following resolution be adopted:

BE IT RESOLVED that the Board of Education unanimously approves an emergency request to the County Superintendent of Schools asking for approval to enter into any necessary contract(s) on behalf of the District for the repair and replacement of the Carrier central plant air conditioning chiller control panel, which provides air conditioning to over 2,600 students using Arroyo Valley High School's J-wing without advertising for or inviting bids. 8.41 Emergency Contract Award, Flooding San Bernardino High School, San Bernardino Adult School and Arrowview Middle School
(Prepared by Business Services)

On September 7th, 2014 a summer storm moved into the County of San Bernardino. The National Weather Service estimated that over one inch of rain fell in the San Bernardino area in one hour producing heavy rainfall, severe flooding and storm runoff. Many storm and roof

drains through the San Bernardino City Unified School District could not accept the amount of water causing water and debris to enter buildings at over four campuses. The schools that sustained the most damage included: San Bernardino High School, San Bernardino Adult School and Arrowview Middle School.

In order to prevent a disruption to the educational programs and prevent further damage to property, the San Bernardino City Unified School District is proclaiming an Emergency and is requesting that District-authorized agents be given emergency authorization to sign any agreements or documents necessary to make all required repairs. The total cost for these repairs is estimated not to exceed \$100,000.00. Invoices will be paid through the Joint Powers Authority (JPA) and insurance companies including Carl Warren and Company.

Public Contract Code 20113 relieves the Governing Boards of school districts from bidding requirements when emergency repairs, alterations, work, or improvements are necessary to permit the continuance of existing school classes or to avoid danger to life or property. Board of Education unanimous approval is required for an emergency request to the County Superintendent of Schools asking for the approval to enter into any necessary contract(s) in writing or otherwise on behalf of the District for the performance of labor and furnishing of materials and supplies for this purpose without advertising for or inviting bids. Board Policy 2122b allows the Superintendent to take emergency actions to ensure the safety of students.

It is recommended that the following resolution be adopted:

BE IT RESOLVED that the Board of Education unanimously approves an emergency request to the County Superintendent of Schools asking for approval to enter into any necessary contract(s) in writing or otherwise on behalf of the District for the emergency response, environmental testing, removal and replacement of damaged San Bernardino City Unified School District property and drainage cleanout without advertising for or inviting bids. The total cost for these repairs is not estimated to exceed \$100,000.00 and will be paid through insurance agreements with the Joint Powers Authority (JPA).

BE IT FURTHER RESOLVED that the Board of Education authorizes Debra Love, Purchasing Director, to sign all related contractual documents.

**Resolution of Conditional Approval of the
Renewal Charter Petition for
ASA Charter School
by the Governing Board of the
San Bernardino City Unified School District**

WHEREAS, pursuant to Education Code Section 47605 et seq., the Governing Board of the San Bernardino City School District (“District”) is required to review and authorize creation and/or renewal of charter schools; and

WHEREAS, the ASA Charter School (“ASACS” or “Charter School”) was previously authorized and granted a charter (“Charter”) by the District Board for a term of five years expiring on September 30, 2014; and

WHEREAS, a charter petition and supporting documentation (“Petition”) were submitted to the District requesting to renew the Charter on or about July 28, 2014, for a five-year term of September 16, 2014, through June 30, 2019; and

Board of Education Meeting
September 16, 2014

WHEREAS, the parties agreed that a public hearing to determine the level of support for the renewal of the Charter by teachers, other employees of the District, and parents/guardians be scheduled for August 19, 2014, and the meeting of the District Board of Trustees to take action on renewal of the Charter be scheduled for September 16, 2014, in accordance with Education Code section 47605(b); and

WHEREAS, a public hearing on the provisions of the renewal Charter was conducted on August 19, 2014, pursuant to Education Code Section 47605, at which time the District Governing Board considered the level of support for the Charter by teachers employed by the District, other employees of the District, and parents; and

WHEREAS, in reviewing and analyzing the renewal Charter, the District noted some issues and concerns and determined that certain changes and revisions to the Charter were necessary in order to support the requested Charter renewal. The District administration is working collaboratively with ASACS on resolution of these issues and implementation of the necessary changes, additions, and revisions and these changes, additions, and revisions will be incorporated into the final Charter Petition; and

WHEREAS, in reviewing the Petition for the Charter renewal, the Governing Board is cognizant of the intent of the Legislature that charter schools are, and should become, an integral part of the California educational system and the establishment of charter schools should be encouraged; and

WHEREAS, in accordance with Education Code Section 47607(a)(3)(A), the District Governing Board has considered increases in pupil academic achievement for all groups of pupils served by ASACS as the most important factor in determining whether to grant ASACS's renewal request; and

WHEREAS, in accordance with California Code of Regulations, Title 5, Section 11966.4(b)(1), in considering ASACS's renewal Charter the District Governing Board considered the past performance of ASACS's academics, finances, and operation and future plans for improvement in evaluating the likelihood of future success; and

WHEREAS, on May 13, 2014, the District was notified by the California Department of Education (CDE) that on March 13, 2014, the State Board of Education (SBE) approved not calculating the 2014 Growth and Base Academic Performance Indexes (APIs) and the 2015 Growth API. Accordingly, three alternatives were authorized by Assembly Bill 484 to meet legislative and/or programmatic requirements that would otherwise depend upon those API calculations: (a) the most recent API calculation; (b) an average of the three most recent annual API calculations; or (c) alternative measures that show increases in pupil academic achievement for all groups of pupils school wide and among significant student groups; and

Board of Education Meeting
September 16, 2014

WHEREAS, pursuant to Education Code Section 47607(b), charter schools must meet certain academic performance criteria, primarily based on API calculations, thus the notice from CDE provides alternative academic performance criteria to be used in considering renewal of charters; and

WHEREAS, the Superintendent, and/or his designees, have reviewed the Petition and supporting documentation submitted.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED AS FOLLOWS, that the Governing Board of the San Bernardino City School District finds the above listed recitals to be true and correct and incorporates them herein by this reference.

BE IT FURTHER RESOLVED AND ORDERED that the District Board is satisfied that the documentation submitted by ASACS establishes that there have been increases in pupil academic achievement for all groups of pupils school wide and among significant student groups as required by Education Code Section 47607, as those requirements have been modified in conformance with the direction from CDE pursuant to SBE's suspension of the calculation of APIs; and

BE IT FURTHER RESOLVED AND ORDERED that the Board of Trustees, having fully considered and evaluated the Petition and supporting documentation, hereby conditionally approves renewal of the Charter for a term of five (5) school years commencing on September 27, 2014, and ending on June 30, 2019, subject to certain changes being made to the Charter Petition and brought back to the District Board by no later than November 4, 2014, for final approval by the District Board; and

BE IT FURTHER RESOLVED AND ORDERED that the District Superintendent or designee is authorized and directed to take such other action as the Superintendent may deem warranted to implement this Resolution, including the renewal of any agreement between the parties in furtherance of the renewal of the Charter; and
