

How to Zoom Conference With Your Teacher

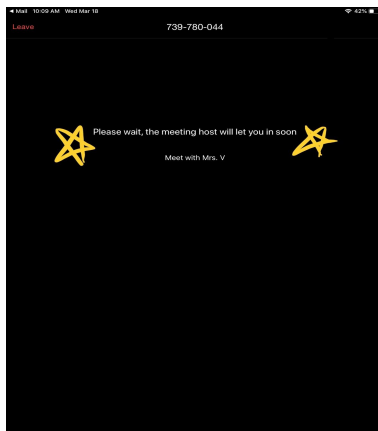

Zoom is an online platform that allows us to be able to communicate in a group. Zoom can be accessed through your computer using a link sent in an email or through your phone by downloading the app.

Directions from computer:

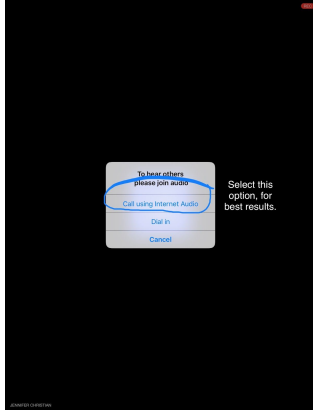

1. Open email sent from your teacher
2. Click on the link found in the email.

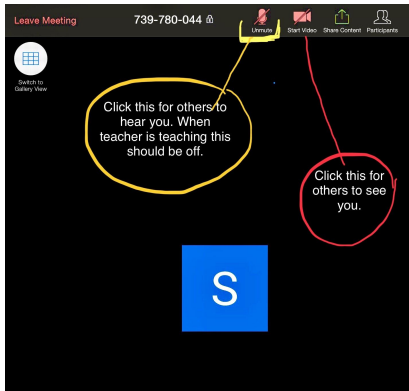

3. Wait for your teacher to invite you in.

4. Select Call in Option.

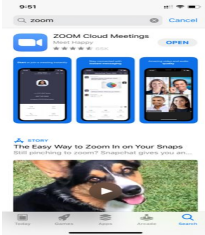

5. If you want others to see you, click the video icon. If you want others to hear you, click the microphone (mute) icon. The microphone should be on mute while the teacher is talking.

6. When it is your turn to talk you can unmute the microphone.

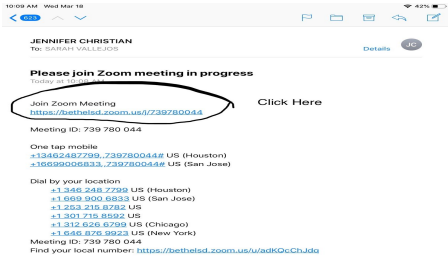

Directions from tablet or phone:

1. Download the app from your app store

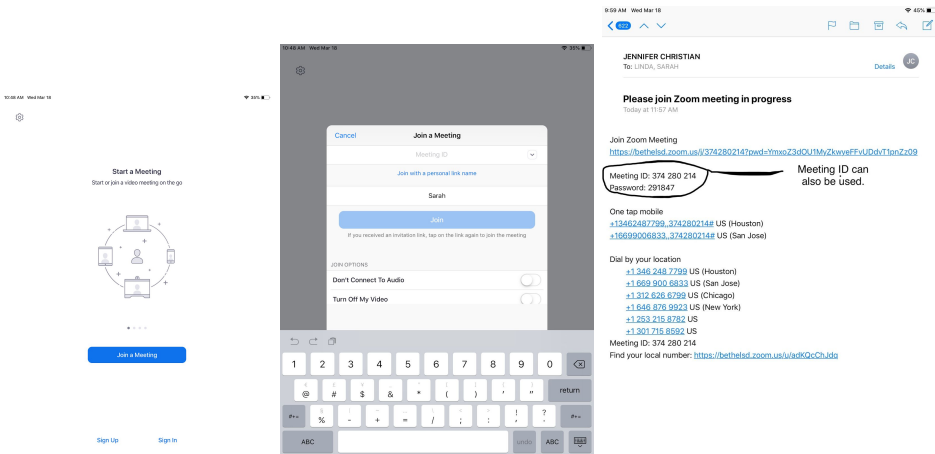

Option A:

- Open email from your teacher and click on the link.

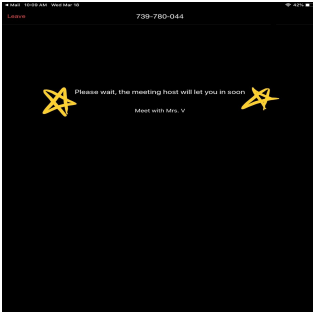

Option B:

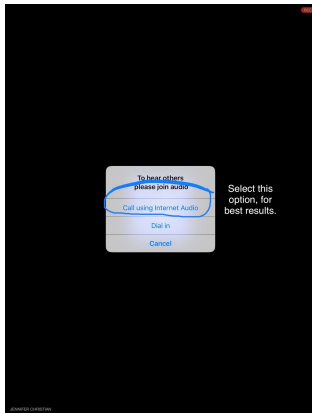

- Open app. Select Join Meeting. Copy code sent in email, and put into the app.

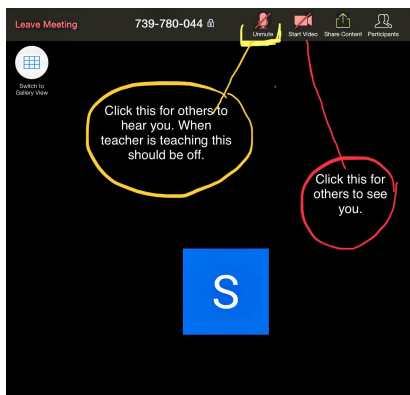

2. Wait for your teacher to invite you in.

3. Select call in option

4. If you want others to see you, click the video icon. If you want others to hear you, click the microphone (mute) icon. The microphone should be on mute while the teacher is talking.

5. When it is your turn to talk you can unmute the microphone.
