12.2 Amendments to BP 4030, Nondiscrimination in Employment (Second Reading)
(Prepared by Deputy Superintendent)

San Bernardino City USD | BP 4119.11 Personnel

Sexual Harassment

The San Bernardino City Unified School District is committed to providing all employees and students a working and learning environment that is free of discrimination in accordance with applicable state and federal laws. This nondiscriminatory working and learning environment is for the benefit of all district employees (non-supervisory, supervisors and management) and students. All employees are expected to fully comply with this policy. Additionally, non-employees who have contact with the district's employees or students during working or educational hours are expected to conduct themselves in accordance with this policy. Absolutely no one is authorized to engage in conduct prohibited by this policy.

In keeping with this commitment to a nondiscriminatory working environment, the district maintains a strict policy prohibiting sexual harassment or sexual discrimination. This policy prohibits all forms of discriminatory harassment through any means, including nonverbal, verbal (including derogatory comments, slurs, propositions, teasing, jokes or taunts), physical (including gestures, touching, obstructing or otherwise interfering with a person's movement) or visual (including leering, cartoons, drawings, magazines, notes, letters or posters).

This policy prohibits all conduct by which an employee or student because of sex, sexual orientation, or gender orientation is subjected to unwelcome, offensive, intimidating, oppressive or otherwise interfering harassment or is subject to any discrimination, thereof on district property or district/school related activities. Students and employees will not be excluded on the basis of sex, sexual orientation, or gender from participation in any educational program, curricular or extracurricular, including all sports and other
activities, denied the benefits of participation, or subjected to harassment or other forms of discrimination in such programs. This policy also prohibits bullying based on actual or perceived gender and all such acts related to school activity or school attendance of students occurring with a school under the jurisdiction of the Superintendent of the school district.

Gender is defined as the person's actual sex, or the perception of the person's sex, and includes the perception of the person's identity, appearance, or behavior, whether or not that identity, appearance, or behavior is different from that traditionally associated with that person's sex at birth. The district may require persons to comply with reasonable workplace appearance, grooming, and dress standards consistent with state and federal law, provided that persons are allowed to appear or dress consistently with their gender identity.

Sexual Harassment

All of the foregoing apply to complaints of sexual harassment. For the purpose of clarification, prohibited sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors and other verbal, nonverbal, visual or physical conduct of a sexual nature where:

(1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education; or

(2) submission to or rejection of such conduct by an individual is used as the basis for employment or educational decisions effecting such individual; or

(3) such conduct has the purpose or effect of substantially interfering with work or educational performance or creating an intimidating, hostile, or offensive working or learning environment.

Examples of prohibited harassing acts:

1. Unwelcome sexual advances or sexual propositions
2. Kidding, teasing, or joking of a sexual nature or of other protected bases delineated above
3. Graphic commentary about an individual's body, sexual prowess or sexual deficiencies
4. Derogatory or demeaning comments about anyone's gender in general or gender identity or expression, epithets, slurs or jokes about one's race or ethnicity, color, national origin, religious creed, physical or mental disability, age (40 and over), sex, gender identity or expression, sexual orientation, or marital status
5. Leering or staring at someone
6. Unwelcome suggestive or insulting sounds such as whistles, kissing sounds, howling, or sucking noises
7. Touching, patting, pinching, stroking, squeezing, tickling or brushing against another's body
8. Displaying offensive objects, pictures, calendars, cartoons, magazines, videotapes, audio recordings or literature which are sexual in nature

18. Impeding or blocking of one's movement
19. Repeatedly asking out a person who is not interested
20. Bullying by using sexual behavior including quid pro quo, sexual behavior at the work place and/or work related events.

Consensual Sexual Relationships

Romantic or sexual relationship of any employee with elementary or secondary students is clearly prohibited pursuant to state molestation laws concerning adults and children. Romantic or sexual relations between an adult student and faculty member or between a subordinate employee and his/her superior can raise "serious concerns" where there may be a conflict of interest and abuse of power which are also prohibited. Such relations may lead to favoritism of a student or subordinate employee with whom the teacher or superior is sexually involved and where such favoritism adversely affects other students and/or employees.

Enforcement

Disciplinary action up to and including termination will be promptly taken against any employee (non-supervisory, supervisor or manager) if it becomes known to management that such person has engaged in conduct prohibited by this policy.

No Retaliation

No employee or students shall be retaliated against, in any manner, for reporting conduct which he/she believes to be a violation of this policy, for participating in an investigation of a possible violation of this policy, or for using the District's Complaint Procedure.

Retaliation against anyone reporting or perceived to have reported sexual harassment behavior or bullying because of one's gender is prohibited. Any retaliatory conduct shall be considered a serious violation of this policy and shall be independent of whether a complaint of sexual harassment is substantiated. Moreover, encouraging others to engage in retaliatory conduct also violates this policy. The District shall be transparent within the constraints of privacy laws in the enforcing this policy, and shall not enter agreements that contain language that prohibits disclosure of violations or resulting disciplinary action.

Examples of prohibited retaliation:
1. Unfair grading
2. Unfair evaluation
3. Unfair assignment
4. Public or private ridicule
5. Oral or written threats
6. Intimidation
7. Destruction of property
8. Further harassment

Complaints

Individuals who have been subjected to discriminatory harassment have an obligation to immediately report the incident or incidents to their immediate supervisor or the district's Affirmative Action Director, who is also the district's Title IX Coordinator. The complaint will be processed in accordance with the district's Uniform Complaint Policy and Procedure. School personnel who witness such bullying acts are required to take immediate steps to intervene when safe to do so.

The procedure set forth pursuant to the district's Uniform Complaint Policy and Procedure does not deny the right of any individual to pursue other avenues of remedy under the jurisdiction of any state or federal law.

12.4 First Period Interim Financial Report as of October 31, 2018
(Prepared by Business Services)

Business Services has prepared the 2018-19 First Interim Report that provides an update on the financial position of the district as of October 31, 2018. This report includes all known adjustments to revenues and expenditures in the current year as well as projections for the two subsequent years.

The Education Code, as updated by AB1200 and AB2756, requires school districts to report on their financial condition at the time of budget adoption and after closing the books with the unaudited actuals. Two interim reports are also required during the Fiscal Year for the periods from July 1 - October 31 (first period), and from July 1 - January 31 (second period).

A resolution is contained in the Action item section of the agenda requesting a positive certification by the Board of Education as to the District’s ability to meet its financial obligations for the current Fiscal Year and the subsequent two years.

First Period Interim Financial Report

The First Interim report consists of projections for ADA (average daily attendance), Local Control Funding Formula (LCFF), and summary of revenues, expenditures, and fund balance of the General Fund for the current and subsequent two years. Other funds of the District have been included in this report as well. This report also includes a current year Cash Flow Projection, a Summary Review of State Financial Criteria and Standards, and a Certification that the District will meet its financial obligations for the current and subsequent two years.

The Board of Education approved the Fiscal Year 2018-19 Adopted Budget on June 19, 2018. In addition, budget changes have been brought to the Board to update revenues and expenditures as well as the overall financial condition of the District as they occur. The Governor’s Adopted Budget for Fiscal Year 2018-19 and beyond includes full LCFF funding. One-Time Mandated Cost Revenue was included in the District Adopted Budget at $16.1 million but was reduced to $8.6 million with the Governor’s Budget Adoption. These changes are reflected in this report.

Current sections of the Education Code, which were revised by AB1200 and AB2756, require the governing board of the school districts to certify that the District will meet its financial obligations for the current Fiscal Year and the subsequent two Fiscal Years. Based on the current information for revenues and expenditures for the subsequent two years, the district meets those criteria.

School districts self-certify their fiscal condition. With a positive certification, the district asserts that it can meet its obligations in the current and succeeding two years. A qualified certification indicates a budget shortfall in the two subsequent years. Finally, a negative certification indicates an impending cash shortfall for either the current or one
Based on the definition above, the Board of Education may approve this First Interim Report with a **positive certification**.

Thus, it is recommended that the Board of Education approve a **positive certification** for the First Interim Financial Report for Fiscal Year 2018-19, as of October 31, 2018, with the accompanying resolution which is required by San Bernardino County Office of Education.

It is recommended that the following resolution be adopted:

BE IT RESOLVED that the Board of Education approves, based on information presented, the First Interim Financial Report as of October 31, 2018.

BE IT FURTHER RESOLVED that the President of the Board of Education certifies on behalf of the Board that the San Bernardino City Unified School District will be able to meet its ongoing financial obligations for the current fiscal year and subsequent two years.
