A copy of the document or written statement offered as verification of residency shall be maintained in the student's mandatory permanent record. (5 CCR 432)

(cf. 5111 - Admission)  
(cf. 5125 - Student Records)

When establishing students' residency for enrollment purposes, the Superintendent or designee shall not inquire into the citizenship or immigration status of students or their family members.

(cf. 5145.13 - Response to Immigration Enforcement)

A student's enrollment may be denied when the submitted documentation is insufficient to establish district residency. In any such case, the Superintendent or designee shall notify the parent/guardian in writing, including specific reasons for the denial.

**Investigation of Residency**

When the Superintendent or designee reasonably believes that a student's parent/guardian has provided false or unreliable evidence of residency, he/she may make reasonable efforts to determine that the student meets district residency requirements. An investigation may be initiated when the Superintendent or designee is able to identify specific, articulable facts supporting the belief that the parent/guardian has provided false or unreliable evidence of residency. (Education Code 48204.1, 48204.2)

The Superintendent or designee may assign a trained district employee to conduct the
investigation. The investigation may include the examination of records, including public records, and/or interviews of persons who may have knowledge of the student's residency.

If necessary, the Superintendent or designee may employ the services of a private investigator to conduct the investigation. Before hiring a private investigator, the Superintendent or designee shall make other reasonable efforts to determine whether the student resides in the district. (Education Code 48204.2)

The investigation shall not include the surreptitious collection of photographic or videographic images of persons or places subject to the investigation. However, the use of technology is not prohibited if done in open and public view. (Education Code 48204.2)

Any employee or contractor engaged in the investigation shall truthfully identify himself/herself as an investigator to individuals contacted or interviewed during the course of the investigation. (Education Code 48204.2)

**Appeal of Enrollment Denial**

If the Superintendent or designee, upon investigation, determines that a student does not meet district residency requirements and denies the student's enrollment in the district, he/she shall provide the student's parent/guardian an opportunity to appeal that determination. (Education Code 48204.2)

The Superintendent or designee shall send the student's parent/guardian written notice specifying the basis for the district's determination. This notice shall also inform the parent/guardian that he/she may, within 10 school days, appeal the decision and provide new evidence of residency.

The burden shall be on the parent/guardian to show why the district's determination to deny enrollment should be overruled. (Education Code 48204.2)

A student who is currently enrolled in the district shall be allowed to remain in attendance at his/her school pending the results of the appeal. A student who is not currently enrolled in the district shall not be permitted to attend any district school unless his/her appeal is successful.

In an appeal of the Superintendent's determination that district residency requirements were not met, the Board shall review any evidence provided by the parent/guardian or obtained during the district's investigation and shall make a decision at its next regularly scheduled meeting following the parent/guardian's request for the appeal. The Board's decision shall be final.

**Enrollment Not Requiring District Residency**

When approved by the Board and the appropriate agency, the district may enroll students from other countries who are in the United States on an F-1 visa or are participating in an international exchange program under the sponsorship of a government-approved agency.

(cf. 5111.2 - Nonresident Foreign Students)

Policy SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT
adopted: October 16, 2007 San Bernardino, California

It is recommended that the following resolution be adopted:

BE IT RESOLVED that the Board of Education receives the amendments to Board Policy 5125 – Students, Student Records, as a First Reading.

10.5 Low-Performing Student Block Grant Plan
(Prepared by Educational Services)

Governor Brown signed Assembly Bill 1808 into law on June 27, 2018. AB 1808 authorizes the allocation of a $300 million Low-Performing Students Block Grant (LPSBG) in the 2018–19 fiscal year to provide California’s low-performing students with additional supports to increase their academic achievement as defined in the California Education Code (EC), Section 41570(d).

The reporting requirements for this grant are pursuant to EC Section 41570(f)(2), in which the District must submit two reports to the State Superintendent of Public Instruction using the California Department of Education’s (CDE) online reporting tool:

1. **Required Report Number One:** On or before March 1, 2019, the District is required to report to the State Superintendent regarding the adopted plan to use the grant funds to increase the academic performance of pupils identified, pursuant to EC Section 41570(d).

2. **Required Report Number Two:** On or before November 1, 2021, the District is required to report to the State Superintendent regarding the implementation of the plan, the strategies used, and whether those strategies increased the academic performance of the pupils identified, pursuant to EC Section 41570(d).

The LPSBG provides funds to the District serving students identified as low-performing on state English language arts or mathematics assessments, who are not otherwise identified for supplemental grant funding under the Local Control Funding Formula (LCFF), or eligible for special education services.

These funds are designated to address the persistent achievement gap in California’s public schools, and to provide resources and evidence-based practices to initiate and sustain authentic systemic change. The San Bernardino City Unified School District is
eligible for the Low-Performing Students Block Grant from the CDE and has been awarded $1,112,502 to be spent by the end of fiscal year 2020-2021.

Throughout the Local Control and Accountability Plan (LCAP) Monitoring and Annual Update process, SBCUSD has had numerous meetings with teachers, SBTA representatives, principals, district staff, students, community members, and parents as part of an on-going LCAP monitoring and input process. The LCPSBG requires the plan to be discussed and adopted by the governing board of the school district at a regularly scheduled meeting. The following outlines the proposed plan for the allocated funds.

Funds allocated to eligible LEAs shall be used for evidence-based services that directly support pupil academic achievement. As identified in EC, Section 41570(e) eligible activities include, but are not limited to the following:

- Professional development activities for certificated staff
- Instructional materials or
- Additional supports for pupils, that may include:

<th>Estimated Per Pupil Allocation for Tutoring Support (actual amount to be determined)</th>

</tr>
</thead>
<tbody>
<tr>

<td>$1,112,502.00</td>
<td>$2,352.01</td>
</tr>
</tbody>
</table>

All LPSBG funds must be expended on or before June 30, 2021. The grant directly aligns with the District’s Community Engagement Plan with the following strategies:

1. **Strategy 2** Learning Beyond the Boundaries
2. **Strategy 3** Coaching and Mentoring
3. **Strategy 4** High Expectations for All
4. **Strategy 7** Resource Acquisition and Allocation

In addition, LPSBG directly aligns with the District’s Local Control and Accountability Plan, specifically referenced in:

**Goal 1: Academic Achievement**

Student academic performance, including English proficiency, will be at a “standards met or greater” level based on rigorous core content standards, resulting in a high school diploma.

**Action I:** Provide before/after school, summer and other learning opportunities to support and enrich student learning for all students.

**Action IV:** Provide increased support for At-Risk Student Groups, including Special Education students, and programs to improve and enhance student learning.

**Action VIII:** Provide Professional Development for teachers and staff to improve Tier I Instruction, student achievement, and progress monitoring.

**Action IX:** Progress monitoring to address the needs of all students.
Goal 2: School Climate/Campus Environment
In order to support student academic achievement and engagement, all students will be educated in learning environments that are clean, safe, well maintained, drug free, and conducive to learning, with a focus on reducing suspension, expulsion, citation, and chronic absenteeism rates.

Action I: Provide professional development, in academic, cultural, and social emotional learning to teachers, administrators and staff, to support improved student achievement, which addresses specific needs of At-Risk student groups (e.g., Low Income, Foster Youth/Homeless, and Students with Disabilities, English Learners, Reclassified English Learners, African American, Hispanic/Latino).

BE IT RESOLVED that the Board of Education approves the Low-Performing Student Block Grant (LPSBG) Plan.

10.6 2019 California School Boards Association Delegate Assembly Election
(Prepared by the Superintendent)

The official ballot for the election of representatives to CSBA’s Delegate Assembly has been received and must be returned on or before March 15, 2018. Because of our large student enrollment, the San Bernardino City Unified School Board appoints two representatives. Currently, Barbara Flores (expires March 2020) and Gwen Dowdy-Rodgers (expires March 2019) are serving two-year terms. Gwen Dowdy-Rodgers was re-appointed during the San Bernardino City Unified School District’s December 11, 2018 board meeting, effective April 2019 through March 2021.

In addition to these two appointments, there are six vacancies in San Bernardino County Sub Region 16-B and the Board, as a whole, may vote for no more than six representatives. The following individuals are candidates for these vacancies:

Heather Allgood Helendale SD
Tommy Courtney Lucerne Valley USD*
Shari S. Megaw Chaffey Joint Un. High SD*
Rosiilicie Ochoa Bogh Yucaipa-Calimesa Joint USD
