Tardy Policy Update

SLHS Families,

Beginning **February 23, 2022**, SLHS will be implementing a new tardy policy in order to encourage students to report to their classes on time.

- At 5 tardies (collectively from periods 2, 3, 4 and 5) a phone call home will take place.
- At 10 tardies a Thursday School detention will be assigned for 2 hours. We do have an activity bus at 4:40 p.m.
- At 15 tardies, in school suspension, parent conference, or other forms of accountability will take place.

The purpose of the policy is to reduce the amount of classroom interruptions, as well as placing an emphasis on keeping our hallways clear and moving with greater purpose. We will adjust the tardy policy as needed. Parents will be notified via phone and email for Thursday School detention. At this time we are not counting first period tardies, however, plan to address it asap, as it is our most concerning period for tardies. We recognize the unique circumstances due to transportation issues

If you have any questions or concerns, please feel free to give us a call at 253 - 800 - 5600.

Respectfully,

Susie Askew, Principal
Spanaway Lake High School
