

**Memorandum of Understanding  
Between  
the Mead School District and  
the Mead Classified Public Employees Association (MCPEA)**

Beginning in the 2022-23 school year, the District partnered with CHAS Health to house a medical clinic at Shiloh Hills Elementary School. This clinic is open to students, staff and community members. While the clinic resides within the Shiloh Hills Elementary School, it is understood that there may be unique custodial needs within the clinic's space. The purpose of this MOU is to clarify the following as it pertains to the CHAS medical health clinic and included Custodial service expectations.

It is understood and agreed that there will be continued District Provided custodial service in the Shiloh Hills Elementary/CHAS Health Clinic.

At this time CHAS Clinic staff will clean their own counters and sinks not including the bathroom. Chas Clinic staff will also be responsible for the disposal of sharps.

This Memorandum of Understanding shall be effective upon signing. This work will be analyzed over the next year and the MOU will be reviewed at that time for any necessary changes.

Dated 3-30-23

Thomas Shupp, President  
Mead Classified Public Employees Association

Shawn Woodward, Superintendent  
Mead School District #354
