### **Operational Referendum Approved by Monona Grove Voters**

[Monona, WI - April 4, 2023] On April 4, voters in the Monona Grove School District approved a recurring operational referendum which will maintain existing staff, programs, and services. The unofficial result from Tuesday's referendum was 5,047-yes to 3,661-no.

"We are grateful for the support of our Monona and Cottage Grove community members. We take our fiscal responsibility for taxpayer funds very seriously," stated Superintendent Dan Olson. "Without this support, our ability to provide a quality education that reflects the values and priorities of our community would not be possible."

"On behalf of the Monona Grove School Board, I want to thank everyone who made their voices heard," said School Board President Loreen Gage. "We are grateful to our community for recognizing the importance of investing in our schools."
