

Doty Memorial School Family School Compact

Fall 2015

The Doty Memorial School staff and families of students attending Doty Memorial School agree that this compact outlines how the families, the entire school staff and students will share the responsibility for improved student academic achievement and the means by which the school and families will build and develop a partnership that will help children achieve high standards.

Doty Memorial School staff will:

- Provide high quality curricula and instruction in a supportive and effective learning environment that enables children to meet the state's student academic achievement standards;
- Hold parent-teacher conferences during which this compact will be discussed as it relates to individual student achievement;
- Provide families with quarterly reports on their children's progress;
- Provide families with reasonable access to staff;
- Provide families with opportunities to volunteer and participate in their child's class and observe classroom activities.

Doty Memorial School families will support our children's learning in the following ways:

- Encourage our children to put a high priority on education and work with them on a daily basis to make the most of the educational opportunities the school provides;
- Be sure our children come to school each day prepared, rested, and ready to learn;
- Become familiar with our children's school activities and with academic programs;
- Attend scheduled conferences and request additional conferences as needed;
- Volunteer, when appropriate, in our schools;
- Participate, as appropriate, in decisions relating to our children's education;
- Promote positive use of our children's extracurricular time.

Doty Memorial School students will:

- Be safe.
- Use kind and friendly behavior.
- Do your job.
- Do your best.
- You can do these.
