## **Before and After School Conduct Reminders**

As outlined in the school handbook, we do not provide supervision of students prior to 8:30am and after 3:05 p.m. Please remind your child that he/she is expected to go directly home after school. Students are not permitted on the playground before or after school from 3:05-4:00pm **without** adult supervision. The playground is closed when it is being used by before and after school child care programming from 4:00-5:00pm. Children having difficulty with appropriate behavior before or after school may result in school discipline.

## **Cell Phone and Personal Electronic Device Reminder**

Student personal cell phones/electronic devices shall be turned off and put away in backpacks while on school property. If a caretaker needs to contact a child, please contact the school office at 216-529-4224. Thank you.

## **Join the PTA!**

## From Mrs. Conway, Student Wellness Specialist

During the month of April, we will be focusing on goal setting and action planning.

**DEFINITION: Goal-Setting - The act of selecting/articulating something you wish to achieve.**

### *Big Ideas*

- What do I want to achieve? Write down my goal.
- Make sure it is specific as possible and I know when I want to achieve it
- What steps will I need to take to achieve that goal? Write the steps down under the goal.

**DEFINITION: Action Planning - Deciding what steps you need to take in order to achieve your goal.**

### *Big Ideas*

- Place my written plan in a place where I can see it every day
- Start with the first step and work on that step until I'm ready for step #2
- If my plan (or a part of my plan) is not working, decide what I need to change or where I can get help
- Celebrate each time I finish a step AND when I reach my goal

## Attendance + Engagement = Success!

Ohio schools must report student absences as part of House Bill 410. Schools are required to develop Absence Intervention Plans for students who exceed absence limits outlined in the law. Families will receive auto generated letters as notifications from the district indicating the number of hours your child has missed in accordance with these laws. Absences exceeding 38 hours in a month, or 65 hours in a year will require medical documentation in order to be considered excused. Should you have an ongoing medical concern, please contact our office.

Excessive Absence is defined as (1) absent 38 or more hours in a month with or without an excuse or (2) absent 65 or more hours in a year with or without an excuse

Habitual Truancy is defined as (1) absent 30 or more consecutive hours without a legitimate excuse, (2) absent 42 or more hours in one month without a legitimate excuse, or (3) absent 72 or more hours in one year without a legitimate excuse.

\*Hours also include total number of minutes tardy to school and early dismissal.
