Dear Parent(s)/Guardian(s),

This school year, The Ferndale Area School District is proud to announce that the courses listed below have been approved through various local colleges for college (dual enrollment) credit. Ferndale Area School District is partnering with Penn Highlands Community College, Saint Francis University and Mount Aloysius College to provide our students with college credit opportunities while in high school. Please keep in mind, the associated colleges refer to each of their dual enrollment programs as such:

Penn Highlands Community College - Accelerated College Education

Mount Aloysius College - College in High School Program through the Continuing Education Dept.

Saint Francis University - College in High School Program through the Continuing Education Dept.

Also, please keep in mind that the dual enrollment agreements, or College in High School Programs as they are sometimes referred to as, are evaluated and approved annually, over the summer months via both the education of higher learning and the school district and are subject to change annually. Also, please note, students must earn a "C" or better in each course in order to receive dual enrollment credit for it.
