# **School Budget Drivers**

### Post-pandemic recovery continues

- Federal grant funds ending in FY23
- Enrollment rebounding & projected to grow
- Social-emotional needs of students increasing
- Learning gaps & need for academic support persist
- Labor market hinders ability to fill open positions
- Inflation impacts costs for supplies & services

# **School Budget Priorities**

#### School Leaders' focus for FY24 budget development:

- Investments for compliance, mandates & safety that respond to current student needs and allow us to develop programming for incoming students
- Increasing access & inclusion efforts to address changing demographics and reduce learning gaps with specialized instruction
- Increasing literacy support, responding to student data with added general education and special services instruction
- Implementing targeted, developmentally appropriate social emotional learning curricula for grades K-8 to benefit both staff and students
- Collaborating with town leadership, the Board of Education, and Town Council to meet our facilities needs through the K-8 strategic project and new primary school

## Overview of the FY24 School Budget

#### The FY24 school operating budget reduces FY23 funding:

- \$136,000 for personnel turnover & reallocation
- \$43,000 for contracted transportation
- \$35,000 for online and internet services
- \$22,000 for electricity and heating oil due to favorable contract pricing
- \$15,000 for projected unemployment costs per current job market

## Overview of the FY24 School Budget
