**Subject:** RE: Proposed Labrie Field Playground

Hi Ed,

On behalf of the Park Commission, we request that an Article to name the proposed playground the “**Maddie’s Magical Playground**” at Labrie Field be prepared for the Annual Town Meeting. It’s my understanding that this article would follow the CPC’s article for funding of the playground at Labrie Field. Please let me know if you need anything else from me or the Park Commission.

Thank you,  
-Mark Reed  
Chair, Park Commission

Hello Mark!

The family would love to proceed with “Maddie’s Magical Playground”.

Thank you!

Juliet & the Magic for Maddie Committee

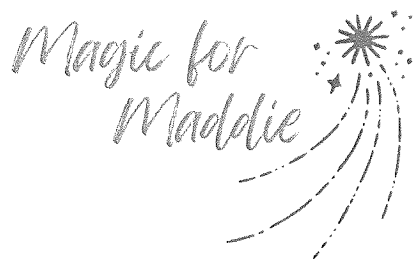

Sent from my phone, please excuse errors!

Hi All,

The Park Commission needs to request a Town Meeting Article for the naming of the playground. Can you please let me know name you would like the playground to be called.

Thanks,  
-Mark R.

Dear Southampton Community Preservation Committee,

On behalf of the entire Magic for Maddie Committee, thank you for reviewing the enclosed application for the proposed Magic for Maddie playground. With the support of the Southampton Parks Department, we are proposing to construct a playground at Labrie Field- a community field in our town where Maddie spent many hours watching her older brothers play sports, and then eventually played sports there herself. Maddie's short life was full of action, spunk, smiles, and adventure- and in that spirit we truly hope you support this accessible playground in our community.

While Maddie's life was unarguably too short for all the love she had to give- it is the desire of her parents Nora & Greg, her brothers Patrick & Will, her extended family, and the entire Magic for Maddie Committee that her spirit live on. This project would not only serve our community to further develop Labrie Field for future use but would also honor Maddie and everything that her family has lost and given to the community over the years.

For your consideration, please find enclosed the following for review:

- Completed 'Call for Community Preservation Projects' Application
- Proposed Design Plans – Magic for Maddie Playground at Labrie Field, dated March 7, 2023
- Proposed Estimate – Magic for Maddie Playground
- Proposed Estimate – Site Specifics Playground Equipment Costs and Installation Quote

Maddie's family and friends are excited and committed to bringing this project to life and bringing our community together. The Magic for Maddie Committee feels that a playground with accessible features and family benches and tables will be an asset to not only Labrie Field, but to our entire community.

Thank you again for your consideration,

The Magic for Maddie Committee
