Where we are and where we are going ____

Where we have been

- Math existed as 4 separate entities
 - (Brookline, Hollis, HBMS, HBHS)
- Varied Curricular Resources
- Limited opportunities to stray from pathway
- Positive Results
 - Strong standardized test performance
 - Strong math team performance
 - Well over 50% of our students graduate with calculus (compared to 16% in 2009 according to the National Center for Education Statistics)

Setting the Stage

Begin a K-12 Approach

- Implement Math Steering
 Committee
- Standards Based Report
 Card Committee (K-6)
- Collect & Analyze Data
- COOP PLC meetings
- Summer curriculum revisions

Data Sharing

COOP

- Communicate Math Placement Test results with relevant professionals
- Devise plan for pro-actively implementing necessary adjustments

Brookline

- Implement EnVisions 2.0
- Implement math centers "block" to firm up gaps and allow for deeper dive
- Revise and implement pacing guide

Hollis

Develop plan to best meet the needs of all learners

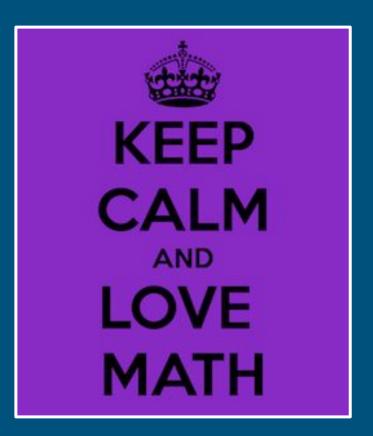

Continue Conversations...

- Bi-weekly PLC of 8th grade algebra and HBHS algebra teachers
- Implement revised Grade 7 Compacted Math course
- Implement revised Grade 8 Algebra I course
- Pilot standards based report cards
- Engage in conversations with the community

Next Steps...

- Identify key math vocabulary for each course
- Provide intervention to targeted group at HBMS
- Revise the Math Placement Exam & Procedures
- Offer additional options to HBMS students to best meet the needs of all learners
- Offer additional and/or refined options to best meet the needs of all learners in Hollis & Brookline
- Develop a K-12 approach to align vertical acceleration practices

The key is continuing the conversation based on data to support student needs.

A. When the Board finds it necessary to reduce the number of certified full-time and/or part-time positions for reasons of declining enrollments, budget reduction, change in or consolidation

of Board-authorized programs, or for any other reason determined necessary or desirable by the Board, the following reduction-in-force policy will be implemented.

Notice

- 2. For purposes of this policy, classifications will be defined as follows:

§10.10: NEW SECTION - Resignations - PTA

Except in case of an emergency, or as otherwise provided by law, staff members are expected to give fourteen (14) calendar days' notice of their intent to resign. For the purposes of this section, "resign" or "resignation" means any instance where a staff member unilaterally determines not to fulfill the employment contemplated by an individual contract, irrespective of whether the school year has begun.

It is the intent of the parties that emergency in this section be defined as including a physical or emotional crisis of the teacher or the immediate family of the teacher where reemployment is not contemplated or undertaken.

§12.2: Health Insurance – PTA and 10/17 TA

Modify/replace existing language as follows:

12.2 Health Insurance

No co-coverage will be allowed. Staff members employed by the District in school year 2017-18 ("returning staff member[s]" for the purpose of this section), may elect from one of the three following plans:

AB10IPDED-RX10/20/45 ABSOS20/401KDED-RX 10/20/45 BC3T10-RX 10/20/45

However, if enrollment in the BC plan falls to zero, then that plan shall no longer be available.

Staff members beginning employment with the District after June 30, 2018 may enroll in only ABSOS20/401KDED-RX 10/20/45.

Subject to the above, the Board shall make maximum monthly premium contributions toward health insurance plans as follows:

For 2018-19:

100% of the premiums for the ABSOS20/401KDED-RX 10/20/45 plan;

For either of the other two above plans:

Single \$ 819.38 2 Person \$1,480.71 Family \$1,842.61

For 2019-20, for all three plans:

Single \$ 868.54 2 Person \$1,569.56 Family \$1,953.17

\$2,091.36

If no successor agreement is reached by July 1 following the termination date of this Agreement, the school district will increase its maximum contribution toward any plan by an amount equal to 50% of the increase to the ABSOS respective plan rate over the previous year.

During the term of this Agreement, the District may offer alternative (in addition to the plans stated above) medical plans to employees of the District, and bargaining unit members may elect to participate in such plans on the same terms and conditions as other employees.

The specific health insurance plans and prescription options identified above, are subject to change based upon availability through the insurance carrier or plan administrator. If a current plan is no longer offered, the parties agree to exchange proposals limited only to identifying a replacement plan no later than six months prior to the start of the plan period. The parties acknowledge that coverage and benefits available under the plans they propose may modify and/or reduce coverage and benefits currently available. If the parties are not able to agree on one of the two proposed plans, the plans will be submitted to binding arbitration no later than 120 days prior to the start of the plan period with a mutually acceptable arbitrator. In the event that the parties cannot agree on an arbitrator, the NH PELRB will choose the arbitrator. After hearing from both parties, the arbitrator will choose one of the two proposed plans no later than 45 days prior to the start of the plan period.

Upon retirement, an employee may continue participation in a group plan until eligibility for Medicare. The retiree shall be responsible for full payment of the premiums.

Any full-time staff member who is eligible for health insurance under this Agreement, who shows proof of otherwise being covered by a health insurance plan roughly comparable to any plan offered under this Agreement, and who does not elect to receive health insurance through the District for the fiscal year, and who remains employed by the district for the complete school year, shall receive additional compensation from the District of \$2,000 *in 2017-18, and \$2,500 in 2018-19 and thereafter.*

In the event that any health insurance plan offered by the District is projected as to trigger an excise tax (or so-called "Cadillac Tax"), then irrespective of how the tax is to be imposed (e.g., against the insurer, the District, individual employees, etc.), the parties agree to exchange proposals limited only to identifying a health insurance plan that complies with the Affordable Care Act and that does not result in the imposition of such a tax no later than six months prior to the start of the plan period. The parties acknowledge that coverage and benefits available under the plans they propose may modify and/or reduce coverage and benefits currently available. If the parties are not able to agree on one of the two proposed plans, the plans will be submitted to binding arbitration no later than 120 days prior to the start of the plan period with a mutually acceptable arbitrator. In the event that the parties

cannot agree on an arbitrator, the NH PELRB will choose the arbitrator. After hearing from both parties, the arbitrator will choose one of the two proposed plans no later than 45 days prior to the start of the plan period.

Modify/replace existing language and add separate sub-paragraph to CCL 13.3 as follows:

Any employee planning to use a personal day or days shall notify his/her supervisor at least one day in advance, except in cases of emergency. The employee shall not be required to reveal the purpose of such leave. A personal day may not be taken on a scheduled work day immediately preceding or following a holiday, school vacation, or other leave without prior approval of the administration; the administration shall respond to a request for such a personal day within ten (10) school days.

If a Staff Member wishes to take a day off for a religious or cultural holiday not covered by the school calendar, the Staff Member will be required to use either a paid personal day or take an unpaid day off.
