Athletic Eligibility: A Basic Guide for Schools, Students and Parents

To All Student Athletes

- Your high school years will provide some of the most memorable and enjoyable moments you will ever experience. Competition in interschool athletics is a once-in-a-lifetime experience, which will influence you forever.
- Your participation in high school athletics is dependent on your Eligibility.
- Keep that Eligibility. Read the following summary of the IHSAA Eligibility rules which govern your participation.
- Review these summaries with your parents and ask your principal, athletic directors and coaches about them.

To All Parents of Student Athletes

- The value of participating in athletics has been well documented: participants earn better grades, have better school attendance and have a greater chance for success in later life, than non-participants in athletics.
- Students must meet certain Eligibility rules to maintain the privileges of participating in interschool athletics.
- Review the following summaries with your son or daughter. Your role in stressing and supporting the value of following these rules cannot be emphasized enough.

From the IHSAA

- Since 1903 the IHSAA has been the principal governing body for high school athletics in Indiana.
- Your school is a voluntary member of the IHSAA and has agreed to follow the IHSAA rules.
- Your school and the IHSAA believe in equal competition and the close relationship between academics and athletics.
- The following are only summaries of some of the IHSAA Eligibility rules affecting student athletes. A complete listing of the IHSAA Eligibility rules is found in the *IHSAA By-Laws and Articles of Incorporation* manual, which your principal and your athletic directors have a copy; an on-line version can also be found at www.ihsaa.org.
