

PYP Learner Profile

The students at Link will strive to be:

Inquirers	Their natural curiosity has been nurtured. They have acquired skills necessary to conduct purposeful, constructive research. They actively enjoy learning and this love of learning will be sustained throughout their lives.	
Thinkers	They exercise initiative in applying thinking skills critically and creatively to make sound decisions and to solve complex problems.	
Communicators	They receive and express ideas and information confidently in more than one language, including the language of mathematical symbols.	
Risk-takers	They approach unfamiliar situations without anxiety and have the confidence and independence of spirit to explore new roles, ideas and strategies. They are courageous and articulate in defending those things in which they believe.	
Knowledgeable	They have spent time in our schools exploring themes which have global relevance and importance. In so doing, they have acquired a critical mass of significant knowledge.	
Principled	They have a sound grasp of the principals of moral reasoning. They have integrity, honesty and a sense of fairness and justice.	
Caring	They show sensitivity towards the needs and feelings of others. They have a sense of personal commitment to action and service.	
Open-minded	They respect the views, values and traditions of other individuals and cultures and are accustomed to seeking and considering a range of points of view.	
Balanced	They understand the importance of physical and mental balance and personal well-being.	
Reflective	They give thoughtful consideration to their own learning and analyze their personal strengths and weaknesses in a constructive manner.
