We must have this information by June 1, 2023 in order to complete routing and supply you with accurate pick up times. This information will be mailed the first week in August.

Parents who return the information after the deadline will not have their student included in the routing process. Parents will have to provide their own transportation for the first two weeks of the new school year or go to the nearest established bus stop. After two weeks we will assign everyone a route. Students who are occasional riders will not be included on the route and must go to the nearest established stop for pick up or drop off.

Please return this completed form to your child's bus driver or to:
Petermann Transportation 6947 Yankee Road Liberty Township, Ohio 45044
Phone: 513-755-5821 Fax: 513-777-3114 or Email: jscheeler@petermannbus.com

For High School Students, we will be transporting FRESHMAN ONLY for the 2023-2024 school year as long as the school falls within the transportation guidelines. If you have older siblings attending the same school, we will NOT be able to provide them transportation. If you have concerns with this issue, please contact the Lakota Board of Education. Please do NOT contact the Lakota Transportation Office. This decision is out of our control.
