Please note that everything you bring with you will have to go back at the end of the summer in addition to all that has accumulated over the course of the summer. We strongly encourage families not to over pack. Although the rooms are generally of good size, too many items clutter the room, eat up space, and contribute to disorganization and lost items. If we determine that a room is too cluttered, we may ship unnecessary items back home. Storage on campus is limited to that which can conveniently be stored in between programs. We cannot hold items that do not fit in the room or are not being used.
