## Asbestos Management Plan Available for Review by Parents and Employees

Our school district conducts extensive asbestos surveys of all of our buildings on a regular basis. Based on the findings of the inspections, a comprehensive management plan is in place. This plan details the response actions that the district took regarding asbestos containing materials found in our buildings.

This plan is available for inspection at our office without cost or restriction during normal business hours. Our office is located at:

6636 E. Grand River Ave.  
Portland, Michigan

We have endeavored to make our schools a safe place in which students can learn. Please let us know if we can answer any questions.

Sincerely,

Gerrit Bond  
Director of Operations
