

CGIS Parents,

We are happy to announce our summer programming calendar for CGIS Adventure Club. You do not have to be a current Adventure Club student in order to sign up for our fun summer trips, however, space is limited. If you are not familiar with Adventure Club, it is a terrific way to allow your student to be active and social during the summer while being supervised. Also, your student will be cared for while you work or just enjoy a mom's day out! If your student is attending summer school or band camp, they may also come to us afterward! Please circle the dates on the summer calendar that your student plans to attend during the summer. You will be responsible for paying the daily/field trip fees for any dates that you sign up for.

Rates for summer are as follows:

One Time \$75.00 activity fee

PART TIME -\$30.00 per day (1 to 2 days a week) plus any field trip/activity costs listed on the calendar

FULL TIME- \$100.00 per week (3 days or more) plus any field trip/activity costs listed on the calendar

Please return the completed form by 04/15/23 to secure your spots.

Thanks,

Patricia Jones

Adventure Club Director
