

1. Log into schooltool. <https://st.edutech.org/Bloomfield/> Your user name is your full email address. The password is the one schooltool emailed to you.
2. Once logged in look for this person icon on the left hand side- it will be to the left of the picture.

3. Click on the **Grades** tab

4. The View drop down box- change this from **Marking Period Grades** to **Marking Period Average**

This view shows your in-progress average for each class.

5. Clicking on the **Assignments** tab will show you individual assignments- this is sortable by class.
