Escola Vedruna is where we have classes. It is in the center of Puigcerdá. Here are our 5 participants with their Certificates of Completion along with Canterbury chaperone Julio Omaña and Escola Vedruna administrators Montserrat, Àngell and Anna.

The host families are great! They are so supportive and loving. I am still in contact with my Spanish family and haven't gone a day without speaking with them since I left Spain in June 2018."
