Electronic Information Systems Student Opt-Out Form 2022 - 2023

This form must be renewed annually

Signature and submission of this form denies permission for the student named below to directly access the Internet for one school year. The student may still receive a network user account to store files and class work but Internet access will be disabled.

Internet access is available on all computers connected to Hockinson School District's network. Questions on procedures for denying Internet access at your student's school should be directed to the school office.
