Note from the Principals

HHES Families:

Next week, we will have Kindergarten students returning to campus. We are excited to welcome our young learners to school. To help keep our students and staff safe, we are following sanitation, cleaning, and social distancing protocols created by the CDC and Clark County Public Health. Teachers will have 5 or fewer students in each of their learning sessions. It is our intention to bring back students in additional grades back to campus as soon as it is safe to do so. We will keep you posted on all developments.

Thank you all for your participation in this week's parent-teacher conferences. We are always excited to share information about each student's academic progress with you.

Thank you for your continuing support!

Tutoring Support for HHES Students

The HHS peer tutoring center will be opening to assist middle and elementary school students starting November 2. Tutoring runs after school for remote and HVA students who need some extra help, but are more comfortable asking an older student. The tutoring center will be open from 3:30 to 4:00 on Mondays, Tuesdays, and Thursdays to begin with, although those days may be expanded. Here is the [detailed schedule](#) .

If your child is struggling, please encourage him or her to join the tutors at <https://hocksd.zoom.us/j/85465581054> .

Character Trait - Respect

November's character trait is respect. Teachers will be looking out for a few students from each class who consistently demonstrate this trait during HVA, remote, or in-person learning. Students show respect by using kind language during online learning, acting as a friend to classmates, and following teacher directions. We look forward to celebrating the accomplishments of our award winners later this month.
