

HMS Parent Newsletter

APRIL 1, 2022

A NOTE FROM THE PRINCIPAL

HMS Families:

Thank you to those of you who were able to attend this week's parent-teacher conferences. We hope that your meetings with our HMS teachers were productive and informative. We appreciate your partnership and look forward to continuing our student's academic successes after Spring Break! We are hopeful that our parent-teacher conferences will return to their regular, in-person format next year.

This May, HMS students will complete State Smarter Balanced Testing. Our students will complete their testing in their HomeBase classes and we will run a special schedule during the test window. We want all students to attend school regularly, especially during the test period. Our state test schedule is below. If your child is attending part time or through HVA, please reach out to our office to schedule testing for your student.

English Language Arts testing: week of May 9 - 13

Math testing: May 16 - 18

Science Testing (regular schedule - 8th grade only): May 19 - 20

Next month, HMS students will participate in our first ever Color Run. This ASB / PWT sponsored event will take place on April 29. Thanks to our PWT, students will receive a free Color Run shirt and will complete their run during the school day. The official Color Run fundraiser kick off will be on April 19.

Thank you for your ongoing support of the students and staff of HMS! We are all grateful to be a part of this amazing community!

Have a wonderful Spring Break!

~ Meredith
