The Rappahannock High School's career and technical education program is providing the required annual notice to enrolled high school students and their parents of the availability of the postsecondary education and employment data published by the State Council of Higher Education, at the following link: <http://research.schev.edu/>. Students also may have the opportunity to obtain a nationally recognized career readiness certificate at a local public high school, comprehensive community college or workforce center, per Va. If you have any questions or concerns, please contact Sarah M. Schmidt at sschmidt@richmond-county.k12.va.us or 333-3681.

Thank you,
