# Bond Update April 7, 2023

---

- 01** On April 6th, the project architect for Legion Field conducted a thorough building survey of our current field house to assess its condition and structure. This survey marks the initial step towards creating a locker room for our female student athletes.
- 02** A thorough evaluation of the parking lot at Legion Field has been conducted to identify any potential areas of concern and assess its overall condition. The district will be presented with various options to create a safe, accessible, and functional parking space at Legion Field.
- 03** A pre-bid meeting was held on April 6th with potential bidders for our upcoming turf and track project at Legion Field. The meeting provided an overview of the project, explained the bidding process, and allowed bidders to ask any questions they may have had.
