Recognition of Creekview High School Senior Austin Miles for Achieving Perfect ACT Score

Requested Action

School Board Recognition of Creekview High School Senior Austin Miles for Achieving Perfect ACT Score

Summary Explanation and Background

Austin earned the top composite score of 36 on the February administration of the college entrance and placement test.

On average, less than one-tenth of 1 percent of students who take the ACT earns the top score. Only 2,235 out of the nearly 2.1 million students who took the exam in 2016 earned a score of 36.

Exceptional scores of 36 provide colleges with evidence of student readiness for the academic rigors that lie ahead, according to ACT. The exam includes English, mathematics, reading and science sections; each section is scored on a scale of 1-36, and the composite score is the average of the four.

In addition to this accomplishment, Austin recently was named the STAR Student for Creekview High School as part of the PAGE (Professional Association of Georgia Educators) statewide program that recognizes the student from each high school with the highest SAT score!

School Board Recognition of E.T. Booth Middle School Media Specialist Amanda Graves as Winner of the 2017 Georgia Library Media Association Intellectual Freedom Award

Summary Explanation and Background

A Cherokee County School District media specialist has won the 2017 Georgia Library Media Association Intellectual Freedom Award!

E.T. Booth Middle School Media Specialist Amanda Graves has won the prestigious honor, which recognizes an individual for upholding the principles of intellectual freedom as set forth by the American Library Association of School Librarians and the American Library Association.

Ms. Graves earned her early childhood education degree from Brenau University and her masters of library and information science degree from Valdosta State University in 2012, where she received dual degrees in school media and public librarianship. In 2013, she began working for Cobb County's school system, and this school year joined E.T. Booth Middle School, where she serves more than 1,700 students and 100-plus faculty and staff members.

She will be honored at the Georgia Library Media Association Summer Institute Conference in June in Peachtree City.

School Board Recognition of Clark Creek ES STEM Academy as 2017 Georgia Winner of Program Excellence Award Presented by the International Technology and Engineering Educators Association (ITEEA) and Paxton-Patterson

Summary Explanation and Background

Clark Creek Elementary School STEM Academy has received an international organization's top honor for excellence in technology and engineering education!

The school has been named the Georgia winner of the 2017 Program Excellence Award presented by the International Technology and Engineering Educators Association (ITEEA) and Paxton-Patterson.

“Through the review process, it was recognized that our school's technology and engineering education program is truly exemplary among other programs in our state,” Principal Joey Moss said. “Our students are the ones who will have richer lives as a result. Not many endeavors are more important than helping students become technologically literate and learn more about the world around them.”

ITEEA praised the school for the “tremendous amount of work and dedication that is required to design, maintain, and improve quality programs like yours.”
This news follows two consecutive years of top accolades for the school: in 2015, it earned the prestigious State STEM Certification… only the 11th elementary school in Georgia to earn this commendation, and the first in Cherokee County; and last year, the school was recognized as a finalist for the Technology Association of Georgia's STEM Certified School Outreach Award.

“Clark Creek Elementary School STEM Academy is an outstanding example of innovative academic school choice,” Dr. Hightower said, noting the school is one of CCSD's six award-winning Cherokee Academies open to all CCSD elementary school students. “Not only does Clark Creek soar like its RedHawk mascot among schools statewide, these achievements are especially remarkable given its Title I status due to the economic challenges many of its students and their families face. We're so proud of this continued success!”

Principal Moss said the support of the entire school community -- including business partners -- made the ITEEA recognition possible, and she especially appreciates the efforts of Teresa Bailey, the school's Odyssey Lab teacher, who prepared the award application and fifth-grade teacher Cindy Reeves.

Ms. Bailey and Ms. Reeves will join Principal Moss in presenting at the ITEEA Annual Conference in Dallas, Texas from March 16-18, 2017, and they will be recognized at the Conference's Program Excellence Ceremony.

Recognition of Cherokee County School District Counselors of the Year

Requested Action

Recognize Cherokee County School District Counselors of the Year

Summary Explanation and Background

In recognition of a very talented and dedicated group of employees, the Cherokee County School District initiated a Counselor of the Year program beginning in the 2010-11 School Year. A Counselor of the Year is selected for each Innovation Zone, and a panel of retired educators select the CCSD Counselor of the Year from this pool. Recipients are selected for: inspiring students of all backgrounds and abilities to be productive; earning the respect and admiration of students, parents and colleagues; and demonstrating leadership, advocacy and collaboration in their work.

The 2016-17 CCSD Counselor of the Year is Michele Dowd of the Etowah Zone. She joined CCSD in 2013 as a substitute teacher. She was hired as school counselor for Polaris Evening Program in January 2014. In July 2014, she accepted the position as guidance counselor for Etowah HS. She now will represent CCSD in the Georgia Counselor of the Year competition.

The 2016-17 Innovation Zone Counselors of the Year are: Cherokee Zone: Connie Anderson Hatcher of Canton ES; Creekview Zone: Angel Jane of Avery ES; Sequoyah Zone: Michelle L. Martin of Dean Rusk MS; River Ridge Zone: Phillip Crane of Mill Creek MS; and Woodstock Zone: Brent Harrison of Woodstock ES.

Recognize CCSD Region and State Technology Fair Winners

Summary Explanation and Background

More than 300 students put their tech skills to the test in the region competition held January 21 at River Ridge HS. The competition was organized and led by Mill Creek MS Assistant Principal Dr. Richie Carnes. Dr. Carnes led the team as part of the Superintendent's Leadership Academy III capstone project. The Georgia Educational Technology Fair includes 16 categories of competition for students in grades 3-12, with five bands of grade levels within each category (grades 3-4, 5-6, etc.).

Forty-six CCSD students won first place in their respective categories at the region level of the Georgia Educational Technology Fair, earning a spot at the state competition that was held on March 11 in Macon at Middle Georgia State University. Fifteen students placed 1st, 2nd or 3rd at the state competition.

Recognize Clark Creek ES STEM Academy's BrickMasters, a FIRST Lego League (FLL) Robotics Team, as Winners of a Research Presentation Award at State Finals

Summary Explanation and Background

Clark Creek Elementary School STEM Academy's BrickMasters, a FIRST Lego League (FLL) Robotics Team, completed the best season ever for a Cherokee County School District team by winning a Research Presentation Award at the State finals!

The team of fourth- and fifth-graders began its season by winning the Core Values Award at Regionals followed by outperforming 31 other teams to earn the Overall Champions Award at Super Regionals.

More than 600 teams began the FLL season in Georgia, and less than 10% qualify to advance to State competitions. The BrickMasters have advanced to the State finals for the last three years, but this was the first time they won an award at that level!

Team members, Manesh Fernando, Emma Gibson, Sara Golden, Joshua Ingram, Anthony Kahn, Ariz Lalani, Jonathan Lemus, Calista Noggle, Laika Olwana and Andres Sanchez, are coached by teachers Teresa Bailey, Pam Garmon, and Kim Marler.

FINANCIAL REPORT
FEBRUARY 2017

General Fund

For the month ending February 28, 2017, the eighth month of the 2016-17 Fiscal Year, the School District's Operating Account (General Fund) has received $261,783,426 in revenue (year-to-date) consisting of state funds of $102,030,154 (53% of budget), $142,595,293 local taxes (98% of budgeted amount), and other funds of $17,157,979 (76% of budget). All operating expenditures of $229,955,797 (63% of budget) are within the Board of Education's approved 2016-17 budget.

Capital Outlay

For the period ending February 28, 2017, of Fiscal Year 2016-17, the Capital Outlay Fund reflects receipt of $125 million of bonds sold in Fiscal Year 2007, $104 million of bonds sold in Fiscal Year 2010, $39,854,332 of Direct Pay Qualified School Construction bonds sold in Fiscal Year 2011, $43,232,363 million of bonds sold in Fiscal Year 2013, $46,885,000 of bonds sold in March 2014, and $62,087,932 of bonds sold in March 2015 from the Board-Approved Sale of General Obligation Bonds for capital outlay purposes. The Capital Outlay Fund balance of $1,997,482 as of February 28, 2017, is a consolidation of these six bond sales less expenses paid, as of this date.

Current SPLOST

For Fiscal Year 2016-17, the Cherokee County School District received $2,690,919 in February 2017, for the month of January 2017, the 49th month of 60 monthly sales tax collections for the 2013-2017 SPLOST. Collections received were below projections (detail included) for the month by $49,126 and well above cumulative projections by $9,620,887. SPLOST sales tax collections are continuing to trend up and follow the regular cyclical collection patterns. While projections are level from month to month, actual collections vary greatly, due largely to regular consumer spending patterns and seasonal occurrences such as holidays. If this trend continues, it is possible that cumulative collections will exceed projections by as much as $11.5 million as of December 2017.

Title

Sale of 2017 General Obligation Bonds for Voter-Approved Ed-SPLOST Purposes

Requested Action

School Board Approval of Issuance and Sale of Series 2017, General Obligation Bonds ("GO Bonds") and Approval of a Bond Purchase Agreement with Citigroup Global Markets, Inc.

Summary Explanation and Background

On November 8, 2011, voters approved issuance of up to $138 million in GO Bonds during the Ed-SPLOST collection period of January 2012 through December 2017. At the March 16, 2017, the School Board authorized its managing underwriter, Citigroup Global Markets, Inc., to prepare, price and tentatively market up to $21,850,000 in GO Bonds. Proceeds are to be used to continue the work on voter-approved Ed-SPLOST projects, including completion of the Frank R. Petruzielo Educational Services Facility, improvements to the Boston ES drive, renovations/repairs to existing facilities, technology equipment and infrastructure upgrades, the purchase of new buses and acquisition of land for future schools.

Representatives from Citigroup and the School Board's independent financial consultant, Davenport and Company, will provide pricing results and request the School Board to adopt the Series 2017 Bond Resolution and sign the Bond Purchase Agreement.

Proceeds from the sale will be transferred, upon closing, to the School District's Construction Fund administered by Region's Bank. Funds will only be used to pay ongoing costs associated with the above projects.

Major System Priority

Addressing the impact of student population growth.

Financial Impact

$21.85 Million available for continuation of Ed-SPLOST approved projects.

Cherokee County Board of Education
Attn: Mr. William J. Sebring

Canton, GA 30114

RE: Cherokee County School District – Educational Services Complex
Architects Project # 14-021

Mr. Sebring,

The general contractor is finishing the caulking of the exterior windows around the north side of the Administration Building. The mechanical contractor is wiring up the remaining roof top units, getting the units ready for startup. The elevator subcontractor is installing the guide rails and lift system. The gypsum board walls in the two story lobby space are receiving the finish coat of drywall mud and sanding. The casework arrived and is installed in several rooms. The chair rail and crown molding installation has begun in the conference rooms and in the selected office spaces. In the restrooms, the porcelain tile is installed on the third floor, and the subcontractor has started installation on the second level. The electrician continues to install light fixtures and pull wire to the newly installed electrical panels.

The exterior aluminum storefront door and window system is installed in the Auditorium Building. They have finished most of the exterior architectural wall panels around the parapets. The general contractor has begun framing up the interior aluminum windows. The electrician continues to install conduit and pull wire to the main electrical panels. With the completion of the interior stone masonry work, the hanging of the gypsum board walls has begun.

Around the site, the underground sprinkler system is installed on the north side of the project. The landscaper has installed several trees, and some of the sidewalk around the Auditorium Building has been poured. The electrician set the generator for the lift station and for the building.

The design team continues to review the progress of the project with our weekly onsite meetings and interacting with the general contractor on a daily basis. The project is still on schedule, and the quality of workmanship meets the requirements of our plans and specifications. We see no reason why the Educational Services Facility will be delayed from opening for August 2017.

Sincerely,

Kenneth R. Harless AIA, NCARB

Board Consideration of Superintendent's Recommendation of Special Lease Agreement

Requested Action

Board Consideration of Superintendent's Recommendation for Approval of Special Lease Agreements

Summary Explanation and Background

Pursuant to the School Board's Community Use of System Facilities Policy (KG), special lease agreements applicable to non-school allied groups (users applying for extended use of school facilities who are required to pay rental fees) and for-profit summer camps, summer recreational leagues and/or any activities where Cherokee County School District employees are compensated, must be recommended by the Principal to the Superintendent for consideration of approval by the School Board prior to use of the facility. Extended use is defined as an event involving two or more consecutive days or for recurring activities.

Attached is a synopsis of detail of the special lease agreements, which adhere to the guidelines stipulated for such use and which have been approved by the Principal and Superintendent.
