

BOARD POLICY
Policy Adoption

Descriptor Code: BDC

Except for policy actions to be taken on emergency measures, the adoption of Board policies shall follow this sequence which will take place at two regular or special meetings of the Board:

1. Announcement and distribution of proposed new or revised policies as an item of information.
2. Initial and final action by the Board on policy proposals.

Prior to enactment, all policy proposals shall be titled and coded as appropriate to subject and in conformance with the codification system used in the Board policy manual.

Insofar as possible, each policy statement shall be limited to one subject.

Policies and amendments adopted by the Board shall be attached to and made part of the official minutes of the meeting at which they are adopted and shall be included in the policy manual of the district.

Policies and amendments to policies shall be effective immediately upon adoption unless a specific effective date is provided in the adopted agenda item.

Emergency Procedure

On matters of unusual urgency, the Board may waive the two-reading limitation and take immediate action to adopt new or revised existing policies.
