## School Stores Online

School Stores is our other fundraiser that will go through to the end of the school year.

Thank you to all who have signed up! Student rewards came in this week and will be distributed by Friday, April 7.

If your student did not receive a wrist safari animal, it is because they did not complete the required set up. Please go back into the website and complete the steps. A code will be generated and that releases their wrist animal to us.

The weather is starting to warm up and will do so more in the next few weeks. Please keep in mind our dress code requirements. Please remember that the uniform bottoms are black or khaki pants or shorts. The bottoms MUST be plain in color - no stripes or designs can be worn. Blue Jean Day is every Friday without any rips or shredding. Closed toe shoes are required every day.

Students out of dress code will be given a warning the first time with families contacted and reminded of the dress code policy. After the first warning, parents will need to bring the proper uniform top or bottom to school for their child to remain in school for the day. For questions, please feel free to call the school. Thank you.
